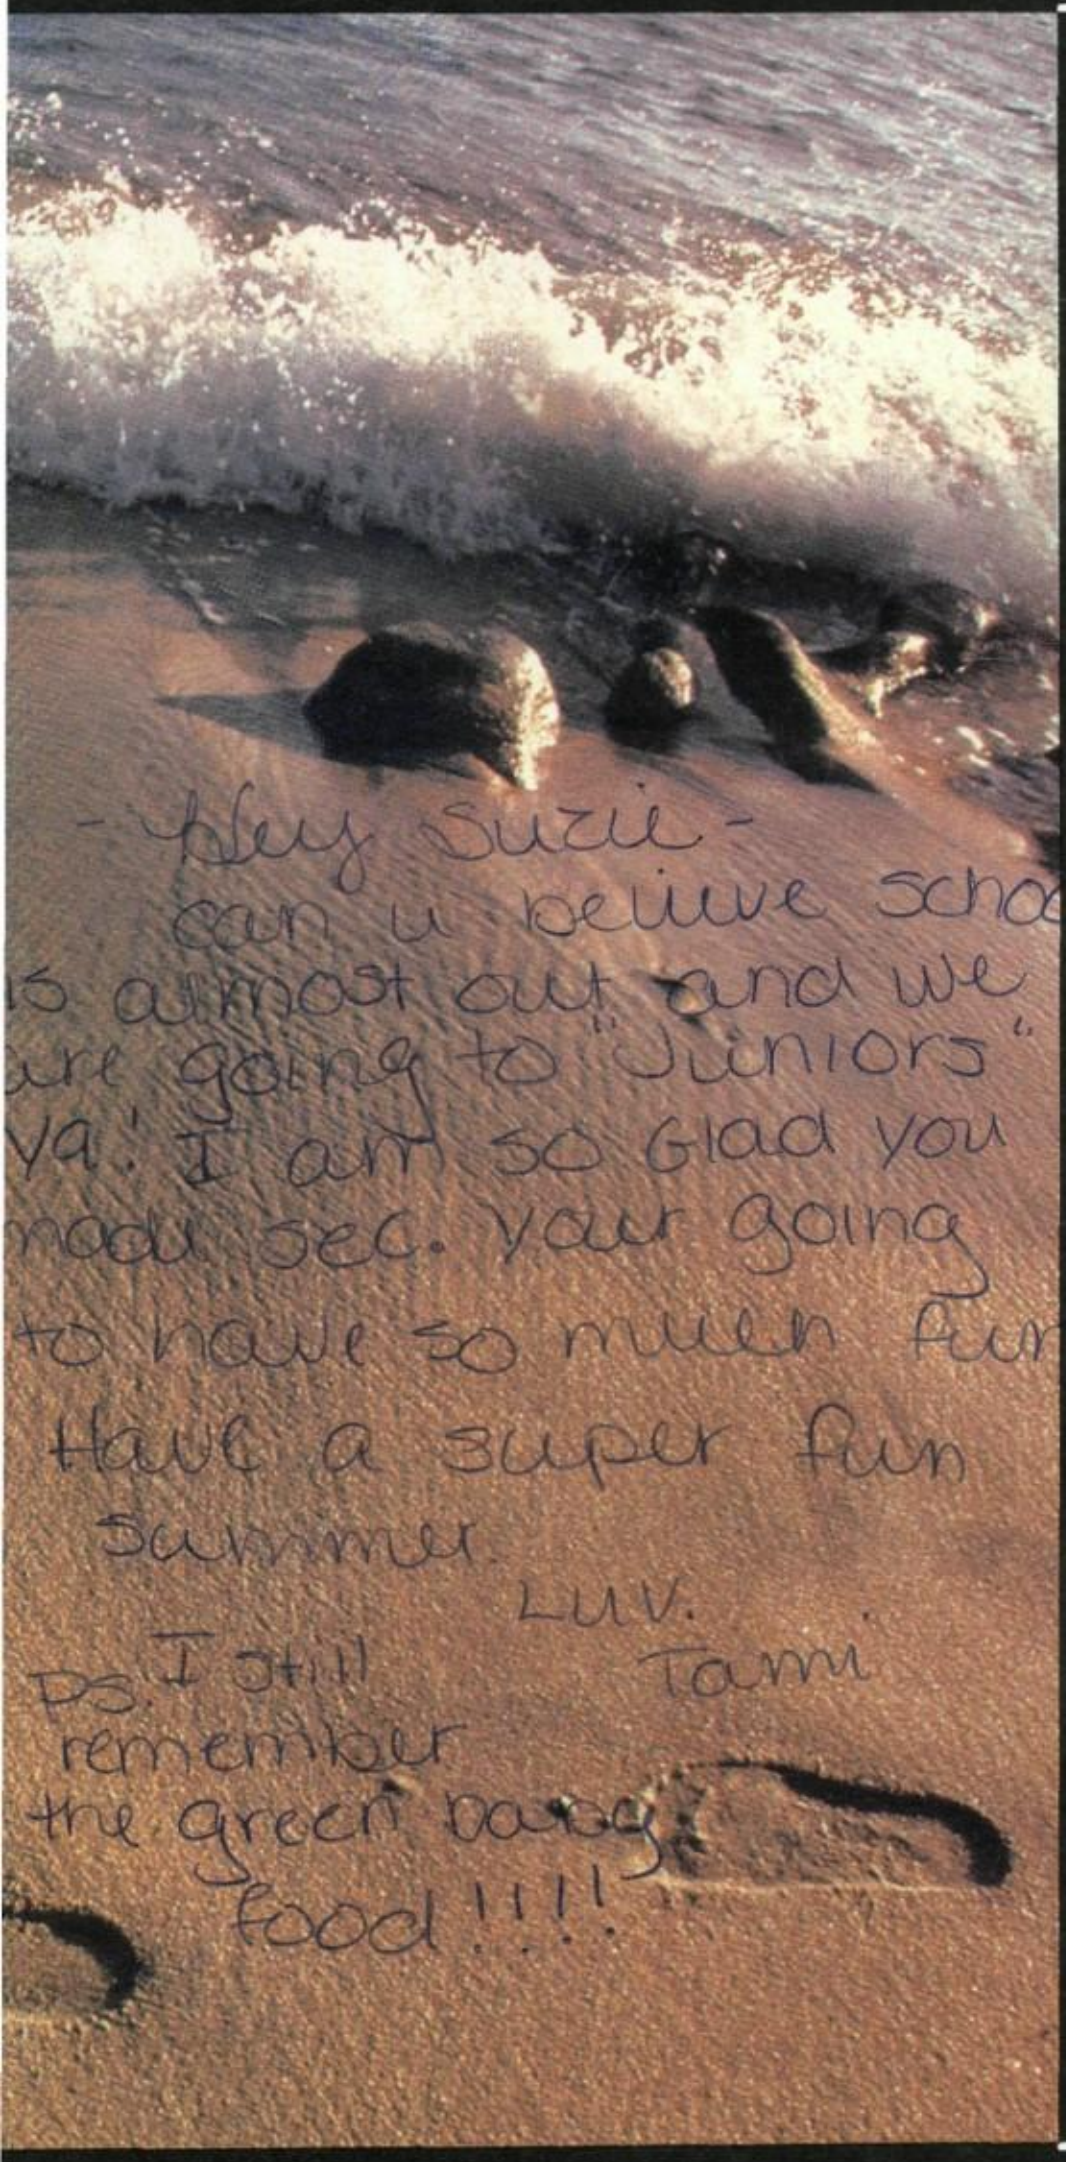
He noticed that many times along the path of his life there was only one set of footprints.



We dedicate our lives to our Lord and Savior, Jesus Christ, who came that we might have life, and that life, more abundantly!

All my life, Lord, I choose to live for you, no matter what my days may bring, I'll put my trust in you!

Walking in your footsteps, looking only to you, knowing that your abundant life, comes from living my life in you!

"We're only a half hour late. That's good for Melo."

Well done, good and faithful servants; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord.

On Tuesday, the fourth of September, a line of "Yellow Melo" buses rolled into the parking lot of Forest Home Christian Camp. The doors creaked open and out filed the 1984-85 MHS Student Body.

Suitcases and sleeping bags were trampled on as the tired, but eager students searched for their luggage. Then one by one, they hiked off to find their new homes, which were only to be occupied for two nights.

The next few hours were spent getting acquainted with the new surroundings. In the middle of all the confusion, lunch was served and the students tasted their first deluxe, gourmet, camp meal.

These Melo kids are known to be able to adjust to almost anything! The following days proved to be fun filled and exciting. Some had a blast by drenching each other in canoes, while others sweated it out at practice. A few, however, felt it necessary to collapse in their cabins and sleep their lives away.

Spiritually, the camp was most edifying, as many students were convicted by the Holy Spirit to ask for real forgiveness in their lives. Each of them started a "New Beginning In Christ".

After three days of fellowship and exhaustion, the doors on the same buses slammed shut. The engines started up and rumbled down the hills towards civilization. As the students stared into the neon lights, they forgot the times gone by, and looked forward to "The New Beginning In Jesus Christ", that each would share as they began their NEW YEAR and LIFE at MELO!

...in Jesus Christ's name, Amen. It's over already? Good service. The day of the Lord when we can once again give ourselves up totally to Him. Time to head home. This car is a mess, it needs a clean. There goes my long relaxing afternoon. Lunch first - nothing in the refrigerator - typical. I'd better clean the car while I have the energy. That's right - drench myself with the hose. Homework - ugh - don't even think of it. (Yawn!) A nap would be nice ... zzzzzzzzzzz 7pm! Groan - hours of homework to do. Where's the m & m's? I need a chocolate fix! Now, put my brain into gear and focus on what I'm studying. English - how can I study English at this time of night! What is the time? Midnight! The beginning of another week.

Hi Suzy,
Hows it goin. This year has been great, hasn't it. Im glad that I had you in two classes this year (Eng + Geo). Hope we share more next year. Keep on smilin' cuz you have a great smile. See ya next year. Have a rad vacation and good luck on your new yo.

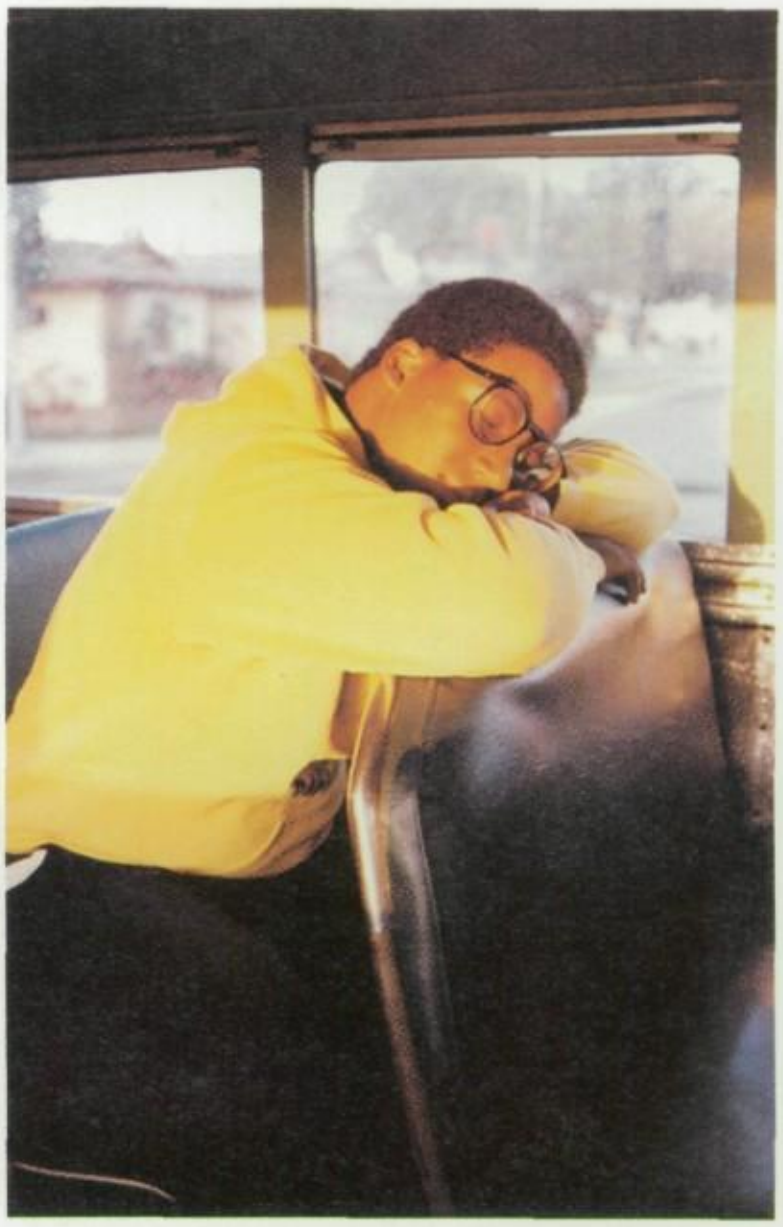
MONDAY



Upper right: "Richard, you can wake up now. The bus has arrived at school." Upper left: "Hey, what can I say?" Bottom: The alarm rings. You gotta get up, gotta get up ...

Monday-The day we all dread. It seems that it gets here faster than we'd like it to. It feels like only yesterday I was in school. Your alarm goes off-"No, just five more minutes!" (Which turns into twenty-five more!) Late to school, not to mention the detention you get as a consequence. Falling asleep in class and being embarassed when the teacher calls your name. Minutes seem to go by like hours on a Monday, especially when you're in your least favorite class. Sharing with your friends about your weekend, making plans for next. Not having your quiet time done and having to hurry and write them all in only ten minutes time. When will school get out? But the day isn't over, yet. Rush home and change your clothes. Working from 5 to 9. Barely enough time to get all of your homework done. Monday-Thank goodness it only comes once a week.

TUESDAY

"I don't eat it. I just make it."

"Yes we are honor students on the university bound honors program."

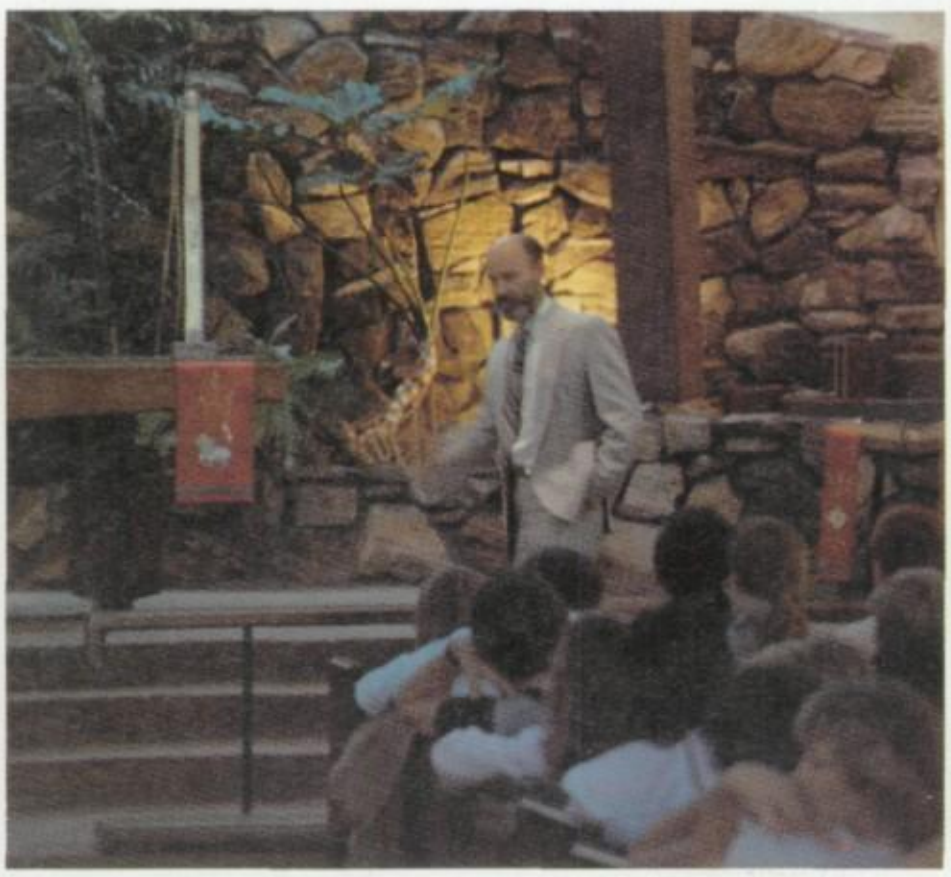
What do you mean orange and white isn't trendy?

Typical Tuesdays-What a drag! As you begin to recover from Monday's setbacks, you realize that you failed Friday's tests and now you need to take it over to maintain your honor bound requirements. Didn't sleep much last night. Had too much homework and a game, too. Life goes on! Oh, no! We have a test Thursday- help me, God! When will Friday get here? Better yet, when's lunch?

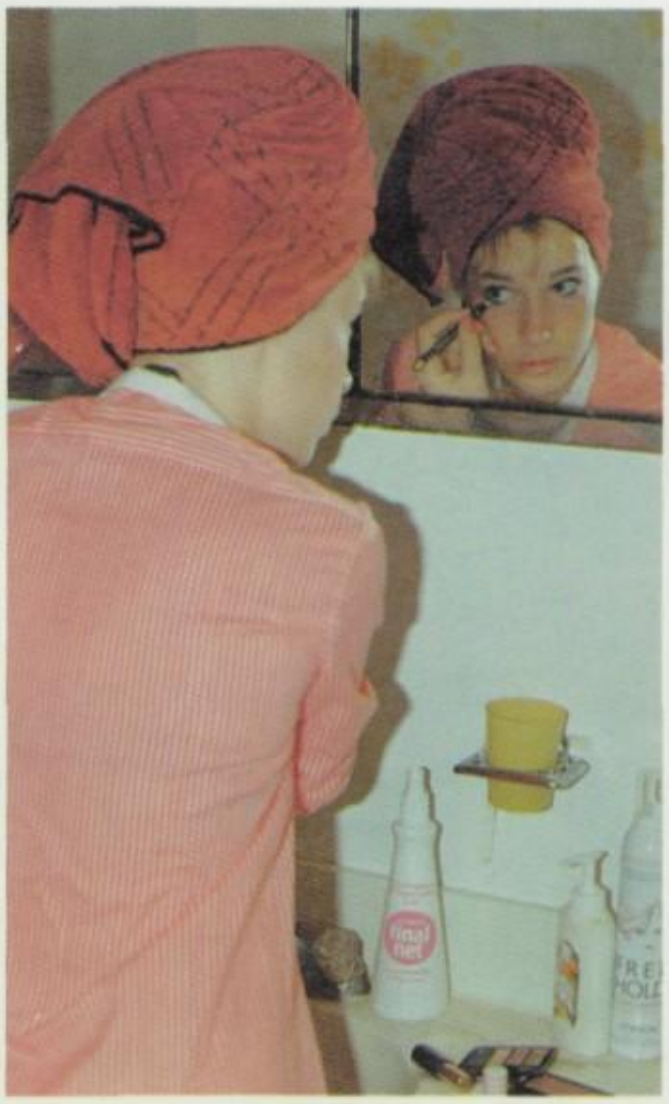
WEDNESDAY

Top: What did you say your name was? Middle: All dressed up and no place to go. Bottom: Come along, kids, hurry it up!

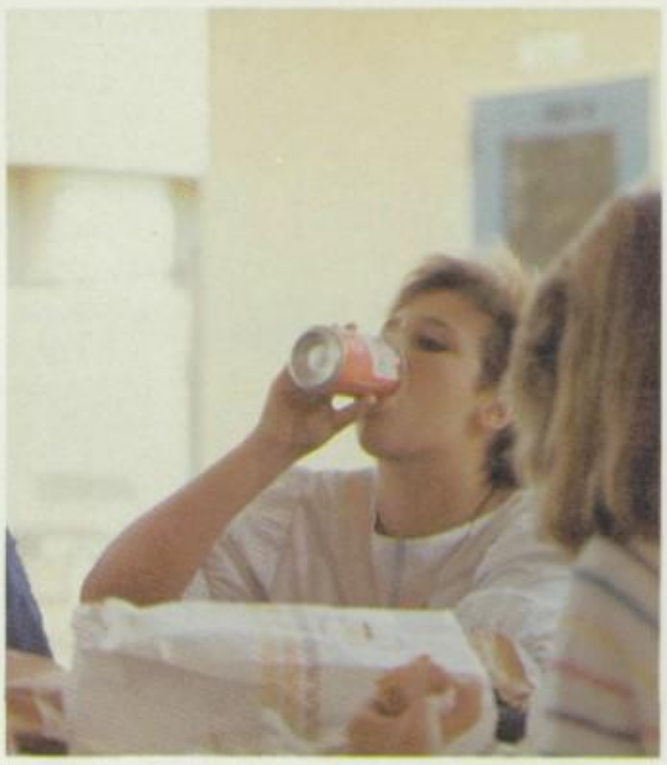
Wednesday, the heart of the week. A time when the entire school can surrender their hearts and problems to the Lord, and block out the pressures of school while we have Chapel. The periods are shorter and everyone is dressed up and ready to worship our Lord Jesus Christ. It's a day when we can take time to relax in the glory of His love. All problems are forgotten as we place ourselves in the hands of our Almighty God and Father. It is the turning point of the week when He gives us our second wind, and the energy to make it through the rest of the week with His strength and His might. With Jesus, we can strive towards our goals with a more positive attitude . . . and all of God's kids said, Amen.



THURSDAY



Top: "And to think we thought football practice would be hard." Right: "What women have to go through just to look pretty."



Top: ***Dori*** doing what she does best. Right: "And to think, I could've had a V8."

School again! This is starting to get monotonous. Was that the 8 o'clock tardy bell? Oops! Another detention. This class is really boring. I hope break gets here soon so that I can satisfy my growling stomach. I'm so glad that tomorrow is Friday! A pep rally at school and then finally the weekend! Driving home in freeway traffic. What a drag! Home at last. Thank the Lord I made it through another day!

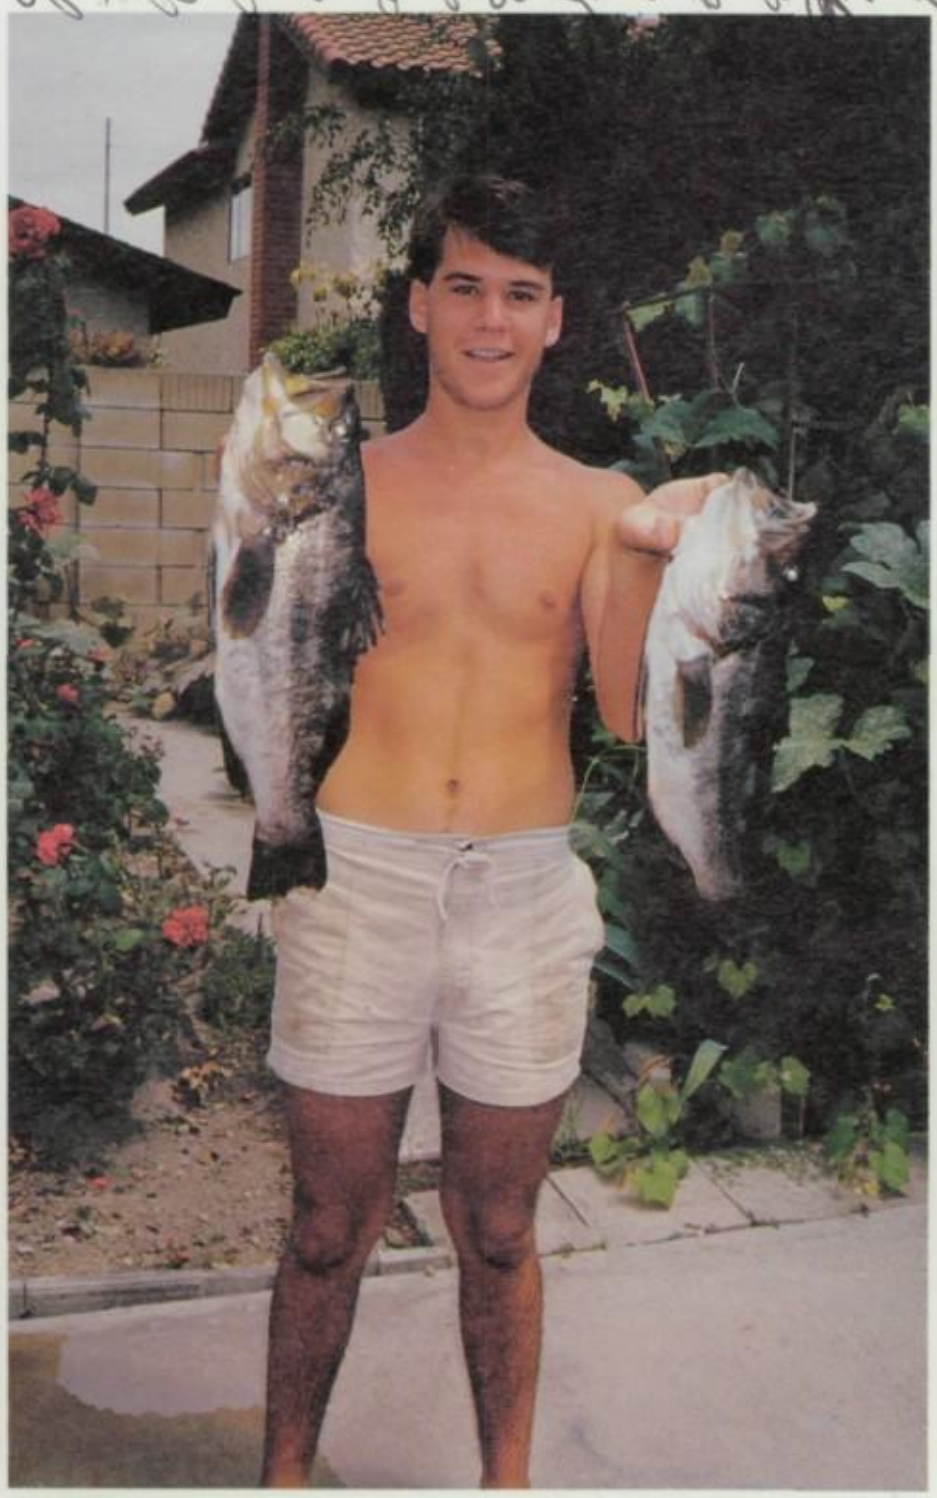
FRIDAY

How do I love thee? Let me count the ways.

Class of '86 shows their spirit.

Praise the Lord it's Friday! Alive at last as the weekend is almost on us. The periods go by slowly. "Not more homework, Mrs. Harrison?" Lunch time. Senior privileges-McDonald's here we come! Late to 6th period. Another detention. What a way to start the weekend. 7th period. The hands on the clock are crawling-10, 9, 8, 7, 6, 5, 4, 3, 2, 1 . . . Freedom! The parking lot comes to life as eager students try to be the first out. Traffic on a Friday is horrible! Finally home, but not for long. Into the shower and out the door again. Ready to paint the town red! Back home late. Ready for much needed deep slumber.

SATURDAY



"Weston Boyle, what a catch!"

A man's work is never done.

Look at the crowd tonight!

The weekend is here at last. Gosh, I must have overslept. It's 11:30 already! The lawn needs mowing again, the dishes are piled up in the sink, and the house is a real mess. Well, here goes nothing ... all done, thank goodness, time for a little snooze. 6pm! Better take a shower. Oh, where are my jeans? This top looks awful. What's for dinner? Can I borrow the car tonight Dad? Great. Time to get moving, the game starts at 7:30. Go Melo, Go Melo, Go Melo, Yeah - Victory! What an excellent game. Good going guys. Onward to Straw Hat. Good crowd here. What sort of pizza will we order? Pepperoni - Yum. Groan - full of pizza. Anybody got the time? 12:30? You're kidding! I'm an hour late. Mom will kill me. Where are the car keys? I hope Mom understands. Home at last. Praise the Lord, she forgives me.

Melodyland High School is proud of their Queen and her court. As the red carpet unrolled before them, never before had a Queen looked so elegant and her court so stately. These lovely girls were escorted proudly by our handsome class presidents.

After the wonderful halftime followed by an awesome victory, all were invited to the Fellowship Center to celebrate. The crowd was entertained vocally by past and present Melodyland talent. Then all attention focused on the screen in the corner as slides of years gone by flashed before them. As the reception drew to a close everyone left the Fellowship Center with fond memories of the 1984 Melodyland Homecoming.

ABOVE LEFT: **Christina Smith,** our Freshman princess and her escort **Jarrett Kurimay.**
ABOVE RIGHT: Our Sophomore princess **Tracy Goodin** escorted by **Danny Stauffer.**
MIDDLE LEFT: Our Junior princess **Alicia Gaddy** and her escort **Brian Lambie** flash dazzling smiles at the crowd.
MIDDLE RIGHT **Kelley Goodin** and **Ted Fletcher** our Senior representatives look up at the crowd.
BOTTOM LEFT: Returning home for ceremonies were **Lana Foti** and **Shawn Cadmes.**
BOTTOM RIGHT: **Scott Britt** crowns our new Homecoming Queen **Linda Cairns.**

The unforgettable Fire

ABOVE: "LETS GO FOR IT . . ." **Chad Lambie,** one of the great faces from the class of 87. **Chad Lambie** is a regular starter for the Flames Varsity Football Squad. **Chad** played an excellently aggressive game. He is definitely a hard worker whom we can expect to see a lot more from in his two remaining years at Melodyland.
BELOW FROM LEFT TO RIGHT: "COME ON **CHUCK,** YEAH, BABY, ITS GONNA MAKE IT-DO IT . . ." The class of 85 is proud of **Scott Britt,** the three year varsity starter has had a great career here at Melodyland. Homecoming was no exception for **Scott** as he caught 6 passes for 136 yards.

Melodyland and Maranantha had never met before, and after the Flames 1984 Homecoming stand, Maranatha must have wished the meeting had never been.

In the opening moments it looked as if the homecoming record of MHS was about to keep all of their victories forever in the right hand column. **Bobby Breen,** however, had other things in mind when he intercepted Maranatha's Quarterback's pass and returned the ball 82 yards, making the score 13-8 after the first quarter. With no score in the second quarter, **Coach DeWoody** went to the locker room with his team down by five points. As only he could, he regrouped his team and lit the spark that set the flame.

Right away in the first quarter, **Scott Britt** took the lead on a **Chuck Mendoza** pass which **Scott** took in for the score. On Maranatha's next possession they scored for the last time, regaining the lead 21-20.

After regaining the lead on **Doug Rich's** touchdown run, Melodyland again increased it's lead when **Chuck Mendoza** broke two tackles to spring himself free for a 61 yard touchdown run. The Flames final score came after **Pat George** picked off a Maranatha pass and returned it to the Minutemen's 4 yard line. **Pat George** completed the evening with three interceptions. Two plays later, **Mendoza** dove in from a yard out with just under three minutes left. Receiver **Mark Lord,** who caught an earlier 35 yard pass from **Mendoza,** caught **Mendoza's** pass for the 2 point conversion. For the game, **Mendoza** completed six of the 15 passes for 171 yards, including a 62 yard bomb to **Britt** to set up a score.

The Flames finished the evening with a 36-21 win over the Minutemen. It was a fantastic game with a lot of hard hitting and plenty of aggressive play, both offensively and defensively. The Unforgettable Fire burned with pride and a desire that we are all thankful for. Great job Varsity Football Team, our Lord Jesus Christ is very proud of you.

Flames take a homecoming stand against Maranatha, 36-21

The Flames Varsity Football team really proved themselves at the Homecoming game with an outstanding victory over Maranatha. Defensively, they played a very aggressive game with a lot of hustle and much desire. **Tom Randolph** (pictured above) led all tackles with 14. **Tom** has been a fine defensive lineman for the Flames, showing a lot of stamina, not to mention knowledge. Providing the offense for our Homecoming stand was **Doug Rich;** pictured middle right) who ran for 91 yards on 13 carries. **Nugget** came out for football his senior year and he has played extremely well. The Class of 85 is proud of its very best, **Doug Rich** has gone far beyond what others expected of him. Then, of course, is **Christine DeWoody** (pictured below) who is oh so cute, and who stole the halftime show. Praise the Lord for a 1984 Homecoming victory for the Flames.

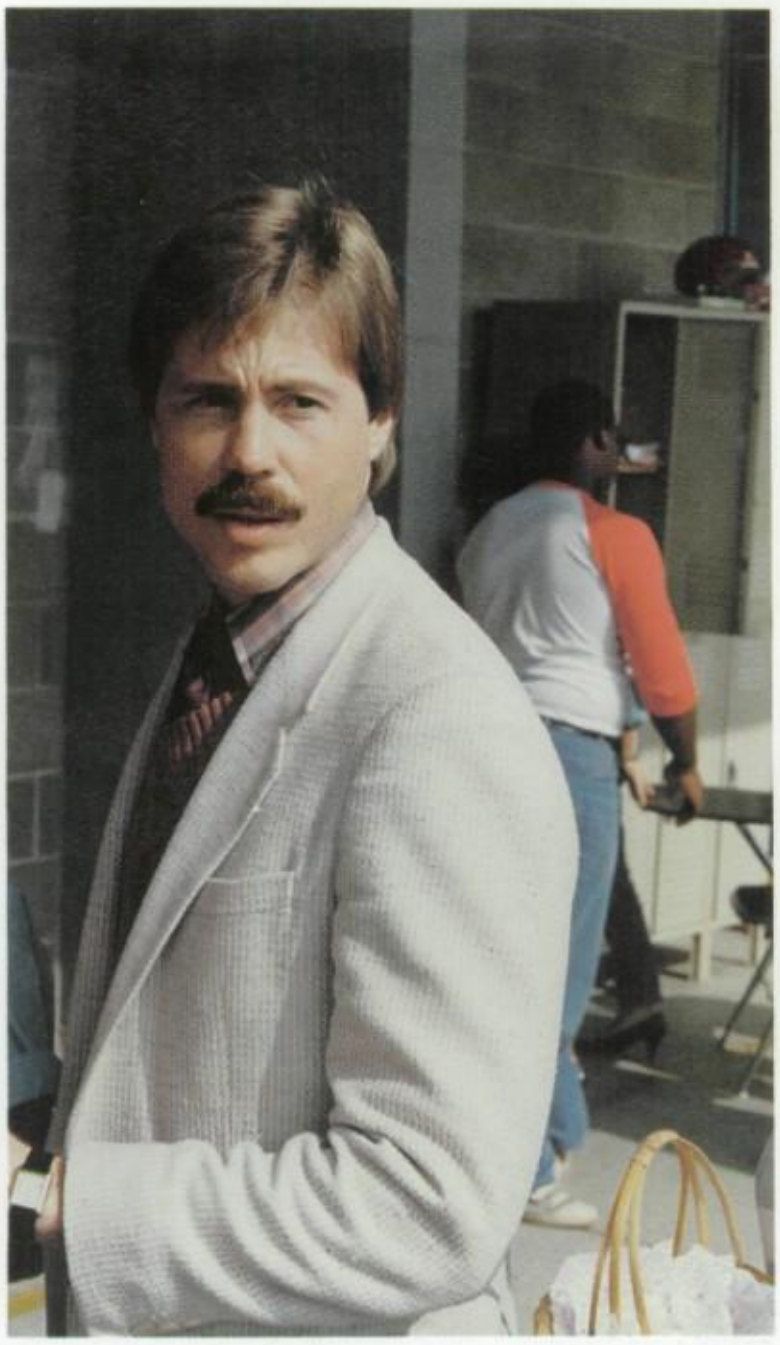
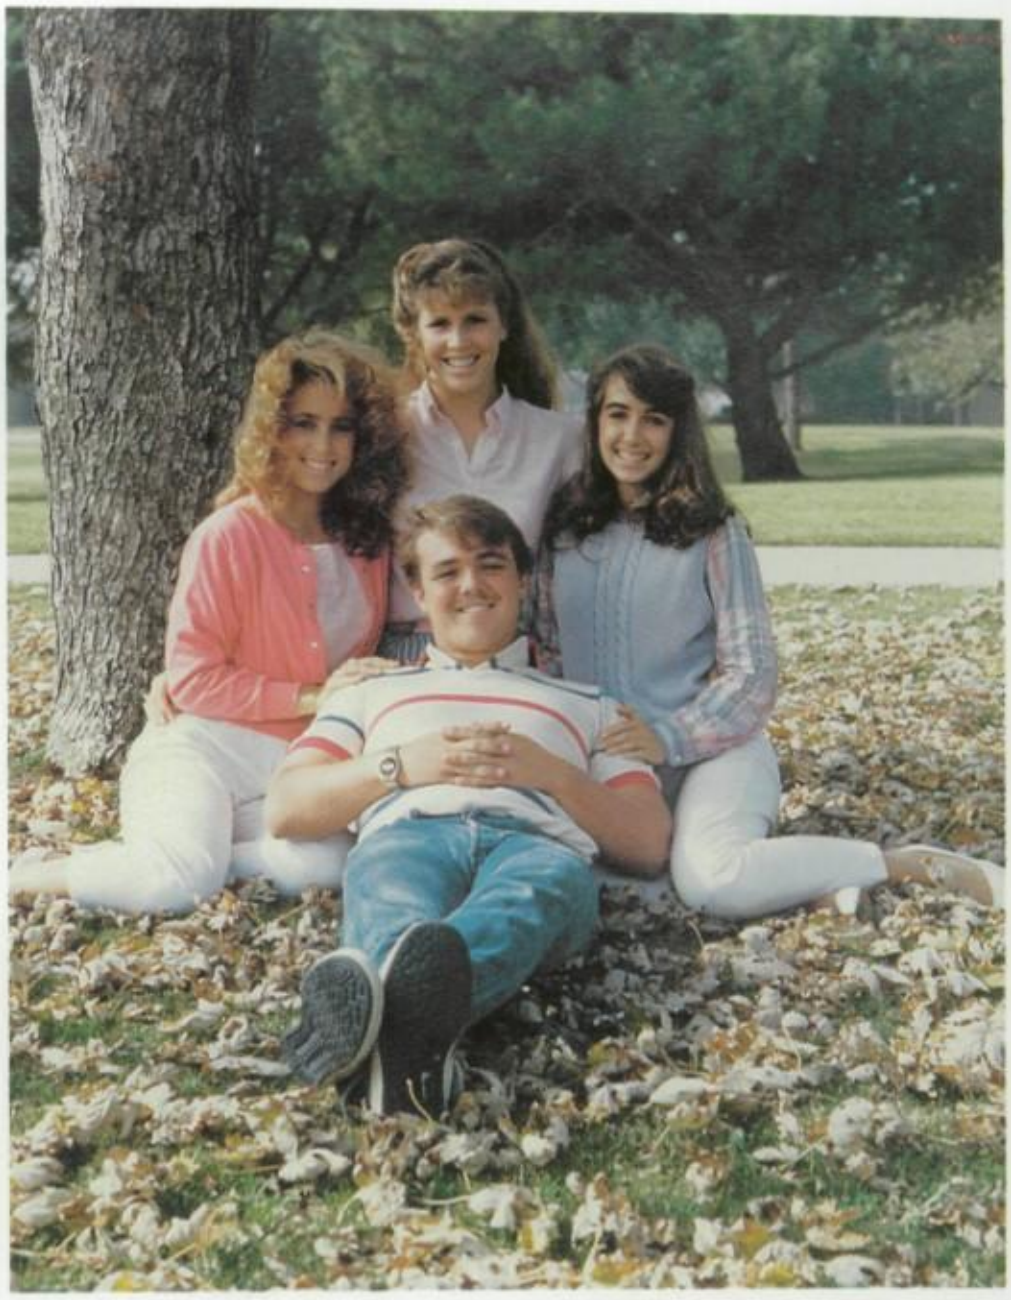
Seniors





The year of 1985 belongs to the Senior class. The Seniors take a lot of pride in both their class and their school. They have been known for their outstanding unity and class spirit, not to mention their excellence in both sports and academics. It has been said that the Senior class of 1985 is the best ever to go through Melodyland, and they do live up to the standard of being "the best". Melodyland will never be the same without the class of 1985. We love you seniors.

ABOVE LEFT: Thank you **Pastor Barnett** for your continued love, support, and prayers. ABOVE RIGHT: Senior class officers- President **Ted Fletcher,** Vice President **Kelley Goodin,** Secretary **Ronnie McKeown,** and Treasurer **Karen McFarland.** BOTTOM: The life of a senior- It's casual!

ABOVE: Mitch and his friends get together for a school picture. BOTTOM: The best dressed family in town

When the awesome class of 85 began Senior Bible, they had no idea what they were headed for. With about two weeks left in the first quarter, Pastor Barnett announced to all Seniors, "You will soon be married adults with baby EGGS of your own." Each Senior was paired off with a mate by divine choice (random drawing) and told if their egg was a boy or a girl. Some couples such as **Pat** and **Colleen George** were proud parents of twins,

The marriage and parentship was to last for nine days. Each egg was named and dressed up in their own clothing. The baby eggs found much warmth and comfort in their custom made egg baskets.

Some parents really had fun dressing their egg(s) up. The time and effort put into just clothing the eggs really showed the Senior class how much responsibility there is in having a baby. Besides just clothing the egg, it had to be looked after constantly. You couldn't leave your baby alone, you needed to have someone babysit when you the parent couldn't be there.

Unfortunately, some thoughts of this event bring much pain and anguish. Certain parents (whom we will not mention) either neglected or abused their baby egg which cracked under pressure to find an eternal place of peace in egg heaven.

All in all the "eggcitement" that the Senior class experienced this year was very fun and educating. It really takes a lot of work, responsibility, and love to raise a child. Patience is also an important factor that one must have with his or her spouse, especially when their spouse is picked out of a hat. Oh well, that's the way the egg cracks.

JUNIORS

ABOVE: The class of '86 joins together to show their unity at one of our awesome pep rallies. BELOW: One, two, three O'clock, four o'clock rock!

They've got the look!

The class of '86 has proved that with the Lord, all things are possible. This year with **Pastor Pat** we have seen that there is no limit to our growing unity. Thank you **Pastor Pat.** We love you!

Once Again our Juniors show their spirit by getting everyone in gear for the pep rally.

As each and every one of us works together, we have become victorious. We have shown our pride and spirit by the honor of winning the spirit stick time after time. With all the uniqueness and gifts that God has given to us, we have proved that we are "the class with class"!

President **Brian Lamble,** Vice President **Jamie Miller,** Treasurer **Barrie Case,** and Secretary **Erika Roberts.**

We, the class of '86 stand alive today
we were the worst, but now the best
and we are here to say:
No matter what you try to say
no matter what you do
we, the class of '86, will always rule over you
With **Pastor Pat** behind us
pushing us to go
'86 will always be #1, you know
Forever we will cheer the cardinal and gold
our spirit is so high
and our pride is so bold
And now it's time to say goodbye to our Junior year
the class of '86 so great
will rule forever here!

The Class of 1987. How does one describe it? Awesome? HIP? Cool? Any variety of trite colloquialisms? No! None adequately describe this class. The Class of 1987 is unique; one of a kind. This class, like any other takes on the personality of it's members. What are they like? They like a good time, they are fun loving people. They are serious also, knowing that life is to be lived for the Lord. They reach out to one another, to help in times of need, to strengthen the weaker ones, to guide each other through the maze of adolescent life. They are real, but enjoy their times of dreaming also. The Class of 1987 is bound for Heaven!

Tom Trueblood

Your smile always makes our day!

Just think, he could've been a *handsome prince!*

Mr. Trueblood is the true example of a Christian teacher. Everyone who has ever been in his class loves him. He is the kind of teacher who makes learning fun and encourages students to do their best. But he is more than just a great teacher, he is a friend. It is obvious that he cares for people and their feelings. He would do anything to help you out. We'll always love **Mr. Trueblood** and remember him as our favorite teacher. You're the best!

Transportation and Kitchen

Maintenence

Early in the morning our kitchen crew arrive at school to prepare our lunches. **Carol Dean** is in control of the Kitchen Department and she has always done a fine job. This year she has turned a small room into a great cafeteria.

Our maintenance men do an outstanding job at keeping our campus looking spiffy. With a lot of hard work and love, they keep the gears turning that keep our school running.

A bus trip!? Oh yes, it is time to ride with **Robert** again on a Melo Yellow Bus - squeak, squeak; sputter! Bus driving is a very serious job and our drivers are the best. They have had a great deal of experience and with the help of our angels, they drive us to all of our outings, events and sporting contests.

Mom's Club: **Sharon Carlson, Maria Vasquez, Sharon Ludeman, Jeanne Goodin, Cindy Pierce, Marilyn Schwartz,** and **Tassoula Baird.**

The Mom's Club is a very special group of ladies. They are headed by **Sharon Carlson** who originally started the club. A lot of Melodyland's moms have helped Melodyland in many ways financially this year with all of their fund raisers. Thank you, moms, for all you've done for us. You are truly a blessing to us from God.

This year's P.T.F. was headed by **Mr. Gary Kruger** and his wife **Patty.** The parents and teachers often met to discuss any needed changes in Melodyland, as well as to pray for the school. With both parents and teachers working together for Melodyland, the year was able to become a better one by smoothing out the rough edges. Thank you, P.T.F., for all your love and prayers.

The Boosters Club was headed by **Mr. Ken Lambie.** The Boosters gave a lot of support to Melodyland this year by coming to a lot, if not all, of our activities and games. They were there to cheer our teams on through thick and thin. They helped to build our school up for one in Jesus. The Lord will truly bless you, Boosters, for all of your encouragement.

"Striving for Excellence" was the theme for this year and that has definitely been seen in this year's student government. Having fun was of major importance to these students, but even more so was making this school a better place to be. Due to their determination and consistency, 1985 was the best year, naturally! We'll never for-et **Jamie Miller** teasing the Freshmen or **Gayle White** being thrown in the fountain with all her clothes on! We would like to thank our ASB President **Scotty Britt** for his damaged lungs trying to keep us all quiet. **Mr. Myhill,** you're one in a million (thank goodness)! Troy, Donnie, Ed Z. and **Ed D.**

1984-85 has proven to be a year filled with many lasting memories for each member of the Ablaze Yearbook Staff. They have devoted a lot of time and hard work into making this year's book the best it can be.

With **Gayle White** at the head of the Yearbook Team as Editor-in-Chief, the year was bound to get off to a great start due to her strong leadership qualities. Also assisting her in leadership was **Laurie Schaumburg,** who worked this year as Layout Editor. **Laurie** did a fine job adding much new and needed creativity to the Ablaze. Along with **Laurie, Ed Zorn** worked as Layout Editor. **Ed** did an excellent job by helping others and always being a super hard worker. Returning from last year was **Bryan Baird,** who was our Copy Editor. **Bryan** put much pizzazz into what would otherwise be uninteresting copy. Assisting **Bryan** was **Josie Adams. Josie** was always there when the forgotten copy needed to be written and typed.

The Ablaze Staff also included **Donnie George, Kevin Farr, Troy Warner, Carlos Martinez, John Lane, Corey Harris, Jamie Baker, Ed DeAvila** and **Bryan Birge.** The editors would like to give thanks to those people who helped get our job done. An extra special thanks goes to **Chris Rasmussen,** who was always there when we needed him. We love you! May God bless all who read this Yearbook. Love, The Ablaze Staff

When the National Honor Society was established in 1921, the hope was to create an organization that would recognize and foster academic achievement while developing other characteristics essential in a democracy. Scholarship, character, service, and leadership are ideals that remain as relevant today as they were in 1921. Our chapter of N.H.S. stresses scholarship, character, service, and leadership in Christ. Our officers are President **Karen McFarland,** Vice-President **Cinnamon Williams,** Secretary **Kristen Brokate,** Treasurer **Alicia Gaddy.**

The Pep Club has added many special and unique touches to our athletic events. Our Homecoming Game was a night none of the Pep Club members will ever forget. They literally let all their energy loose and held back nothing as they enthusiastically supported every member of their team. Their President, **Stephanie Ludlow,** put alot of time and effort into the club and every member will always remember their Poster Signing parties, which brought them closer together.

Ever since God created snow there has been the sport of skiing and Melo continues to carry on this tradition with their Ski Club. Headed by **Jerry McMurtry,** the ski club has gone on many excursions, such as going to Utah during Christmas and Colorado during the Easter Break. They went on many local execursions to Snow Summit for night skiing and to teach the beginners of the group. **Jerry McMurtry** was assisted by the officers: President **Mike Peterson,** Vice President **Tami Brockman,** Secretary **Meliane Society,**

This year's band has really been a blessing to Melodyland. They did an excellent job performing during half-time at the football games. They also wholeheartedly supported the Girl's Volleyball Team by playing and encouraging them at all their games. Their Pep Rallies were great and it was terrific getting to hear them play for concerts, too. We wish them our best as they go to O.R.U. and minister to others through their music. At USA Camp they got all superior ribbons, won the Spirit Stick and most of all, won the hard-sought-after Unity Award. These girls take their cheering seriously, but they do know how to have FUN!! We want to say thank you to **Ricarda,** Varsity Captain, for keeping this crazy group in line!! Thanks girls for your bright smiles and winning determination. Squad of 1985 - you are #1! P.S. Flames soar with spirit

Seniors jump for joy as they receive the Spirit Stick at the first pep rally?

Cheerleaders and Spiritleaders join together to show their unity.

We've got Spirit! How about you?

Class of '88 reach for the stars as they climb that totem pole.

This was a special pep rally for our student body. Our very own foreign exchange student, **Josie Adams,** gave us her home country's flag. Thank you, Australia, for sharing **Josie** with us this year. We sure do love her!

Pep Rallies: Some kids look at it as a time to get out of class, but the majority of Melo students look at it as a time to let their spirits soar and to show how much they love their school and their class!

Juniors give us all tough competition as they show their spirit during Spirit Week.

Kathy and **Chris** show their spirit on "Twins Day".

Spirit Week 1984 was a great event. Day One was "Nerd Day" and people decked themselves out in the worst clothes they could find. Alot of band-daids on glasses and mismatched clothes could be seen. Day Two was "Baby or Old Age Day" and babies, toddlers and grandparents filled the grounds of Melodyland. Day Three was "Formal Day" and the majority of students dressed in tuxedos and formal dresses. The fourth day of Spirit Week was "Twin Day" and many interesting twins could be seen - siamese, garbage can kids, clowns, trains, etc. The last day of the week was "50's Day". This was very popular as ponytails, leather jackets, poodle skirts and greased hair filled the campus. A 50's Pep Rally was held and the school cheered for our football team to win. Their efforts weren't in vain, as the team won Homecoming. This is one week that won't be forgotten quickly!

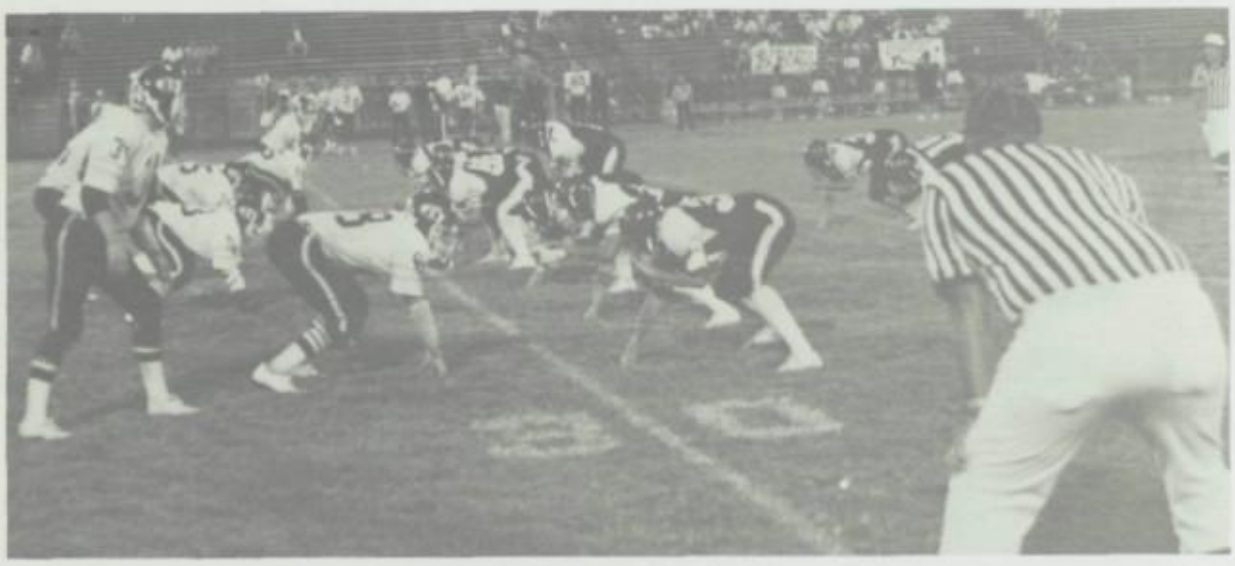
Spirit comes alive

Some of our favorite twins couldn't imagine being separated during lunch!

Our freshman decked out on "Formal Day".

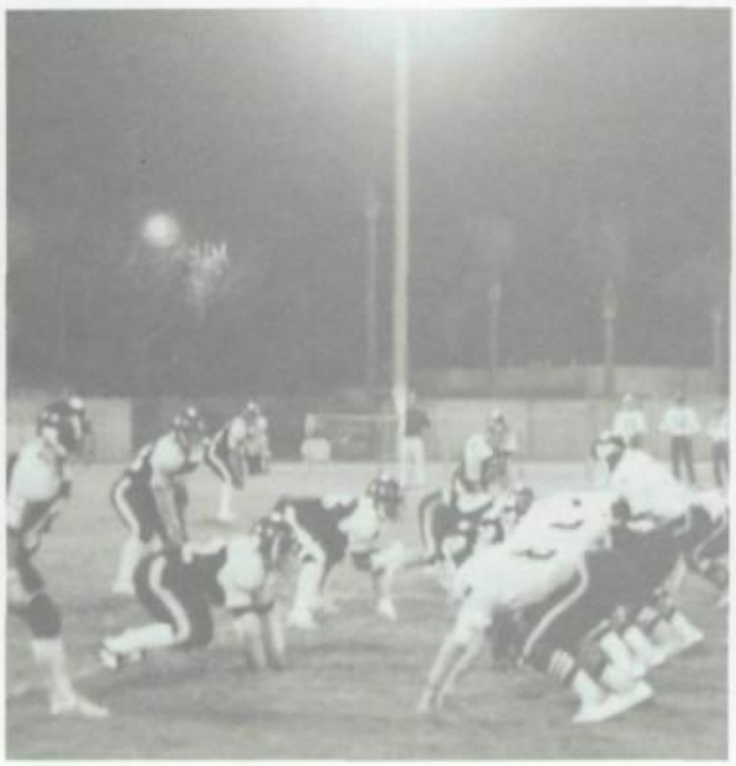
Tamie and **Michele** have a lot of fun as they become joined at the hips for Spirit Week.

Against All Odds, Flames Have A Record Breaking Season

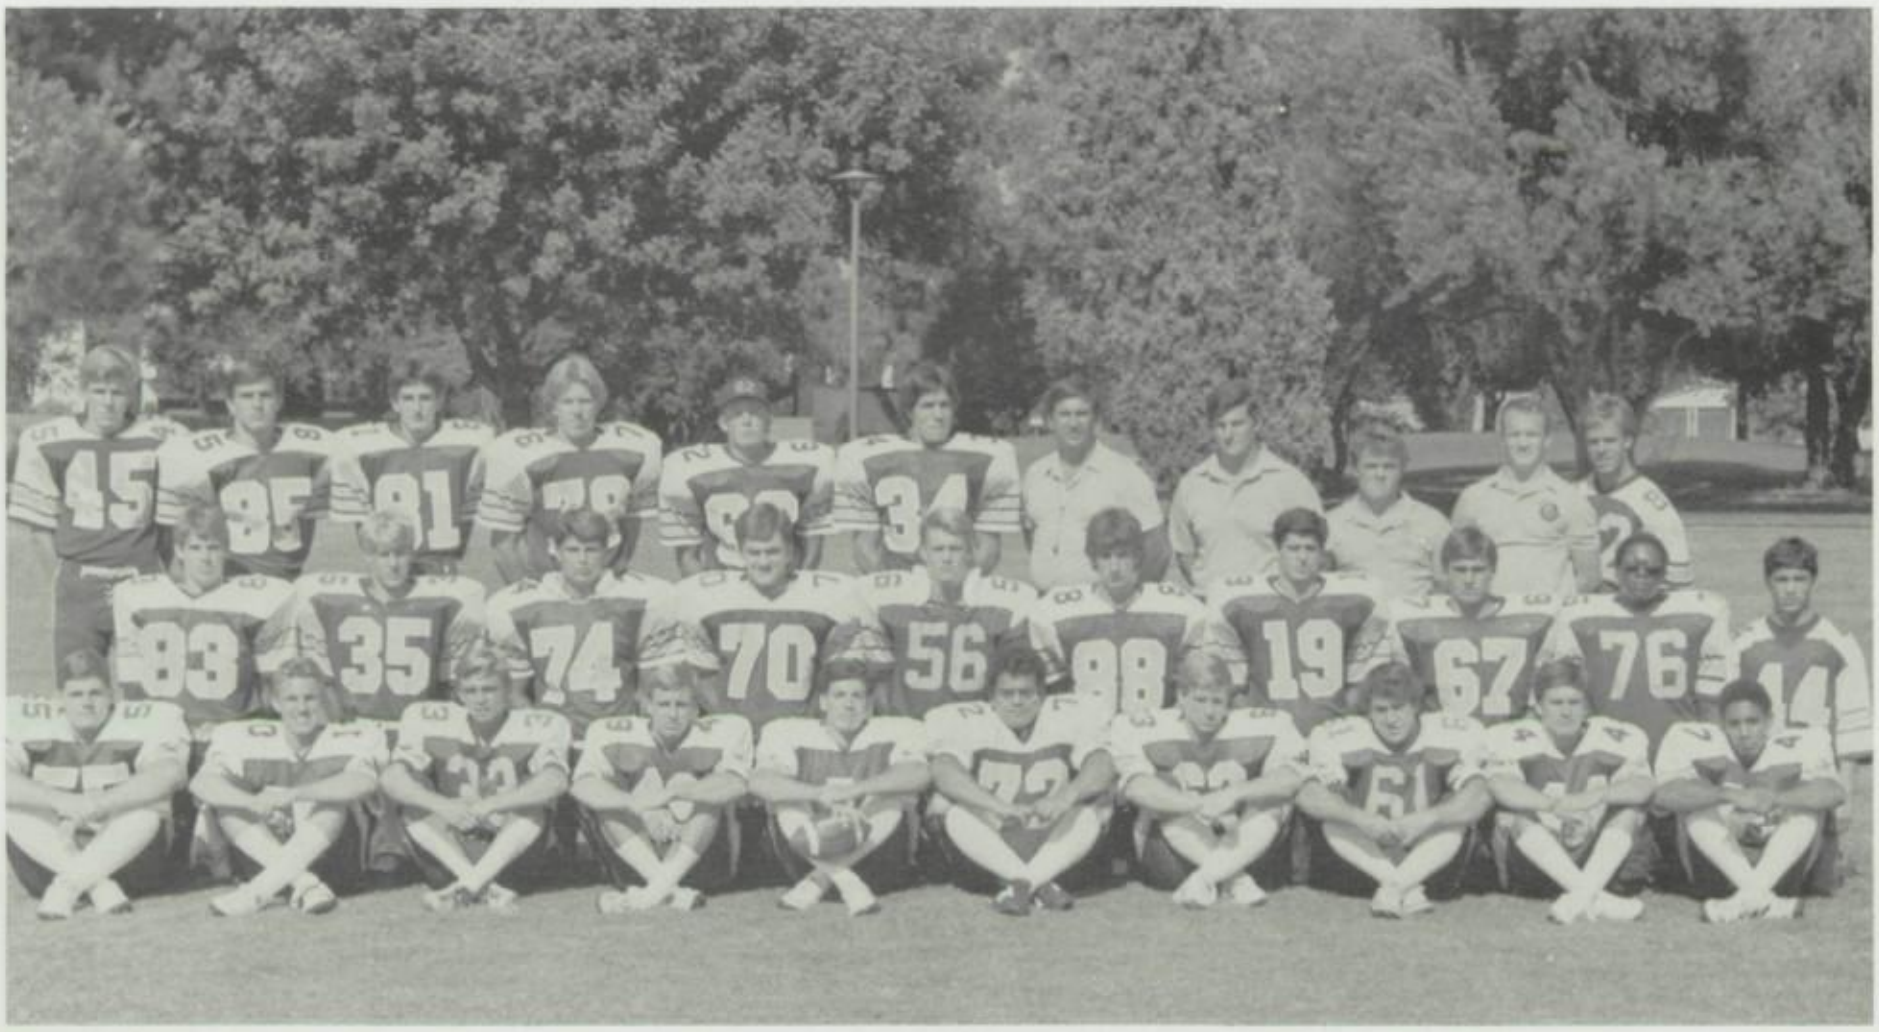


Seniors Go Out In A Blaze Of Glory

The 1984-85 Melodyland Varsity Football team made a stand against all the odds, but they still came out on top by breaking numerous records. "This team proved that success is not always based on victories", **Coach DeWoody** said of his 84-85 squad. **Chuck Mendoza** a three year starter in his senior year, proved this statement to be true. **Chuck** broke the school record for the most touchdown passes thrown in a career. As well as being a captain, he received the most valuable offensive back award for the Flames offensive team. Senior, lineman, **Tom Randolph,** also a three year starter, shattered all tackling records for lineman. **Tom** broke previously set records for most tackles by a lineman in one game, season, and career, as well as being named lineman of the year. **Scott Britt** was honored as the Most Valuable Defensive Player of the Olympic League. He broke numerous school records such as, most passes caught in one game, season, and in a career, most yards gained passing, and the most touchdown receptions in one game and in a career. **Pat George,** a transfer from St. John's Bosco, broke the school re-



cord for most interceptions in one game with three snags, from his defensive back position. The Flames were led by an explosive offense and a stubborn defense. The wish bone offense was ran by **Chuck Mendoza, Doug Rich,** a first year senior running back, **Louie Simon,** and returning senior **Mike Coffin.** The backs received great blocking from **Jeff Peterson, Tom Randolph, Nick Serreo, Ryan Anderson, Bobby Breen,** and **Scott Britt. Chuck Mendoza** had excellent targets to pass to; **Mark Lord, Pat George, Scott Britt,** and **Steve Lockman** proved that they could catch the ball in traffic. On the other side of the line the defense was led by **Scott Britt** and **Tom Randolph. Tom's** biggest game was against Maranatha, at Homecoming, as he made twelve unassisted tackles, the most for any lineman in any one game at Melo. **Scott** has received many football offers from many different colleges including Stanford, U.C.L.A., and Harvard. **Ed Salas, Rick Donantini,** and **Ryan Anderson** provided more defensive force, while **Danny Albrecht, Bobby Breen, Todd Ludeman,** and **Chad Lambie** were in command of the linebacking corps. I Cor. :24-25 sums up a tough season for the Flames Varsity Football Squad; Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will perish, but we do it to get a crown that will last forever.



Top row from left to right: **Chuck, Scott, Britt, Steve Lockman, Ryan Anderson, Nick Serreo, Mike Coffin, Coach Dave DeWoody, Coach Williamson, Ted Fletcher, Mike McMurtry, Mark Lord, Todd Ludeman, Chad Lambie, Rick Donatini, Tom Randolph, Mike Peterson, Chris Zagarella, Doug Rich, Greg Cadmes, Richard Gravely, Harvey, Jeff Peterson, Pat George, Dan Moran, John Peters, Chuck Mendoza, Ed Salias, Bob Breen, Dan Albrecht, Tom Rhemann, Louie Simon.**

This year our J.V. Football Team was great! The team was lead by **Coach Burt Espisido** and **Rick Crawford.** A game played that everyone will remember was against Ontario. The Flames came out fired up. They received the ball and started out with a 99 yard scoring drive. By the end of the first half, the score was 14-14. It was Ontario's Homecoming and they came out ready to win the second half. By the end of the fourth quarter, the score was still tied at 14-14. It all came down to the Flames ball on the 4 yard line with 4 seconds left on the clock. The Flames ran a blast right carrying the ball. We scored with no time left on the clock! Everybody thanked God for this close victory. We know that this J.V. Team is going to be awesome in the years to come.

Don't you yet understand? Do you not know that the everlasting God, the Creator of the farthest parts of the earth, never grows faint or weary? No one can fathom the depths of His understanding. He gives power to the tired and worn out and strength to the weak. Is. 40:28-29

Even the youths shall be exhausted, and the young men will all give up. But they that wait upon the Lord shall renew their strength. They shall mount upwith wings as eagles, they shall run and not be weary, they shall walk and not faint. Is. 40:30-31

Flames Shreddin' The Nets In '85 Hoop

Our Boy's Varsity Basketball game against Orange Lutheran, was as predicted — a high tension game with a jammed packed house of spirited fans. Before the tip-off, the fans were already shaking the rafters with yells of support as the cheerleaders cheered for their team.

The game started off at "Greyhound Speed", but after a few fouls, the pace began to slow down. With elbows flying under the boards and checks being made in the front court, this intense game became very physical. The Flames had scoring coming from way outside, as **Bryan Baird** got the game's first two points from 23 feet out. The fans went crazy as the Flames took the lead. **Pat George** was also dumping in the hoops from the extended range. Inside, **Scott Britt and** and **Rick Lyons** were hammering the boards, both on the offensive and defensive end. A look of satisfaction showed on **Coach Keener's** face.

As this high wire game against Orange Lutheran continued, things got really nerve wracking, for fans, players and coach. As the game neared its end, the Flames continued on to their pursuit of perfection and won their game 69 to 67.

The 1985 Flames Hoopsters finished 6-6 in the Olympic League and 8-12 overall. The Varsity team could have achieved a play off birth, but in the end, Ontario Christian had the final say. However, this year was a different season than the two previous ones.

There is one major reason why our 1984-85 Basketball team was so confident about this season. That reason could be seen in practice, as you could see a desire and confidence in the eyes of all these young men of God. This showed in the way they played. Our team consisted of twelve confident players, which were: **Bryan Baird, Rick Lyons, Pat Goerge, Scott Britt, Derik Ruybalid, Jeff Cameron, Chuck Mendoza, Jeff Bickmore, Mike Seeger, Robby Jennings, Dave Munoz,** and **Jeff Arno.**

All of us at M.H.S. thank God for our basketball team and for each individual player who put out his best, so that our team could be the best. God bless you!

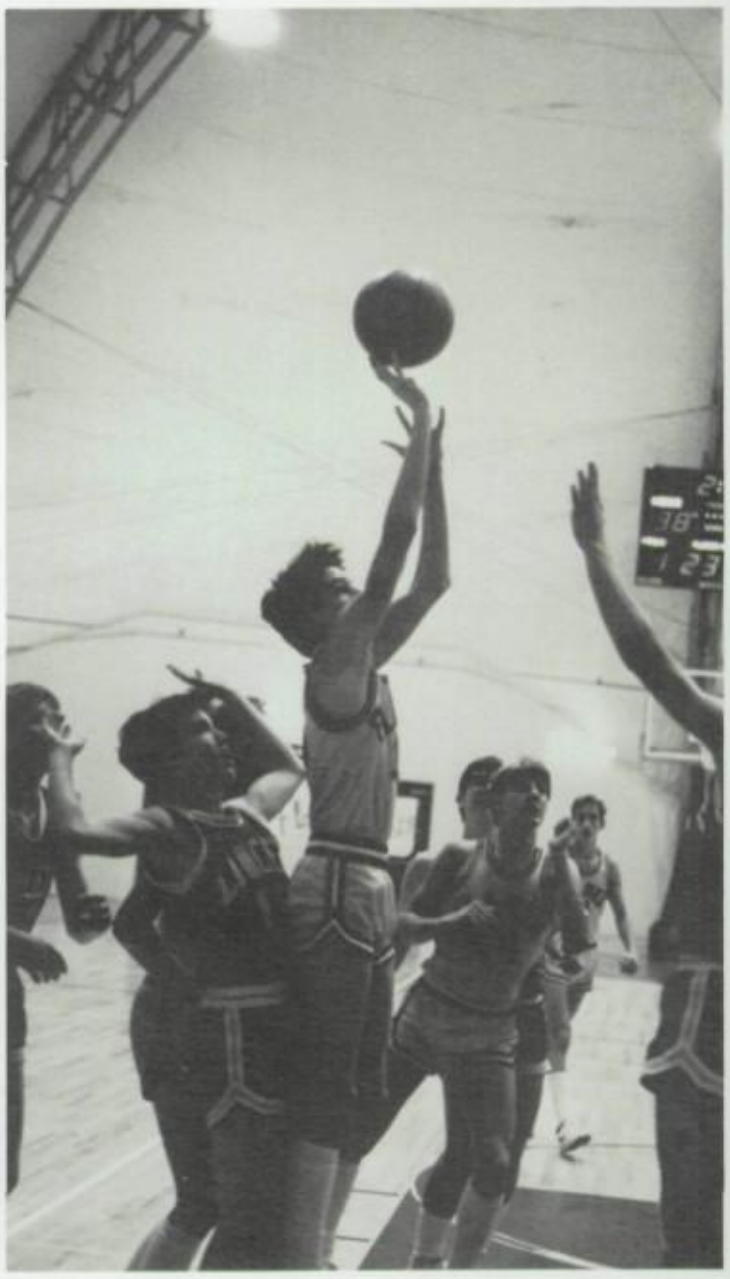
Junior Varsity Basketball

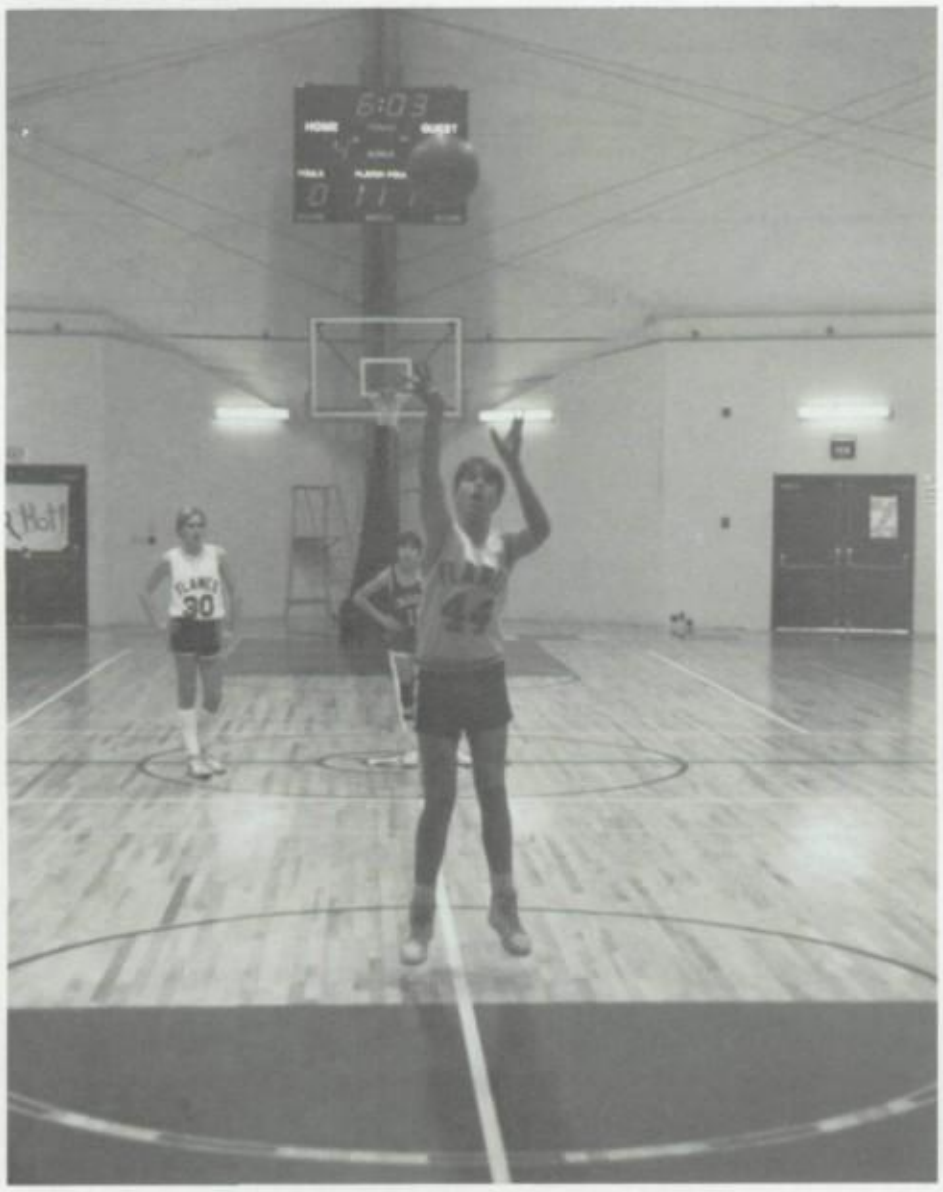
TOP ROW: Coach **Lee Sweeny, Will Colback, Chad Lambie, Darin Lowman, Todd Ludeman, Chris Rasmussen, Mike Mushegan, John Grubaugh, Danny Schwartz,** Manager **Tom Munoz.** BOTTOM ROW: **David McFarland, Chris Hillstead, Steve Wilson, Ed Zorn, Steve Calleros,** and **Bob Davis.**



The 1984-85 J.V. Basketball team was an intense and skillful group of ball players. The team was coached by **Lee Sweeny,** who lead the team on and off the court. The J.V. team has grown in many ways during the season. They grew spiritually as well as physically. On the court they were lead by **Todd Ledeman** and **Chad Lambie** playing inside. Leading the team with points was **Danny Schwartz** and **Darin Lowman.** Some of the people who started at guard were: **Steve Calleros, Bob Davis, John Grubaugh,** and **Will Colback.** The J.V. Flames were also assisted by a strong bench consisting of **Mike Mushegan, Steve Wilson, Chris Rasmussen, Chris Hillstead, Ed Zorn,** and **David Mc Farland.** This group of 14 basketball players strove for success and achieved in many ways.

Freshmen Basketball

TOP ROW: **Drew Jensen, Aaron Clem, Matt Jennings, Edmond DeAvila, Christian Luney, Shawn Crawford, Andy Marshall, James Radin.** BOTTOM ROW: **Bruce Langley** and **Tim Black.** Coached by **Johnny Johnson.**



These freshmen guys had a great time playing basketball together this year. **Mr. Johnston,** their coach, put alot of time and effort into teaching each member how to play the game. **Matt Jennings,** the team's hot shot, rarely missed a basket and **Chris Luney** and **Edmond De Avila** were great at getting the rebounds. Everyone on the team were thankful for the opportunities they had to play basketball for the Lord.

Melo Wrestlers: The Dynasty Continues

This year's Varsity Wrestling Team was great in all respects. They came from last year's disappointing season to this years' full and prosperous roster. In every tournament they placed individually as well as team-wise. The Tournament placings are as follows:
Chino High School: **David Moore** 2nd, **Tom Proper** 2nd. Big Bear High School: **David Moore** 3rd, **Maury Loomis** 1st, **Tom Proper** 1st. **Tom** was also MVP of the Big Bear Tournament. **Danny Albrecht** 2nd, **Greg Cadmes** 3rd. Melodyland High School: **David Moore** 1st, **Maury Loomis** 2nd, **John Peters** 3rd, **Tom Proper** 3rd, **Danny Albrecht** 2nd, **Greg Cadmes** 3rd.
The Wrestling team devoted most of their time to the Lord, having Bible studies every Wednesday and praying before every dual meet. This team was confident in everything they did together. Whether it was at a wrestling clinic or a dual meet, the Trashers always carried the Spirit of the Lord with them, the Spirit that led them to many victories. This year was the first time Melo had a full roster under **Coach Lou Brenes** and for the first time ever Melodyland was the team to beat. The Wrestlers would like to thank their stat girls, **Jamie Baker, Leslie Fredrick** and **Monica Quarantello,** and to the Spiritleaders, also, for their support.

Cross Country running is a sport which requires an awesome amount of self-discipline and work. Training for the sport doesn't begin on the first day of school, but with the start of summer vacation. In fact, these hard working runners are in training all year long. They have put in many extra hours only to wind up with smelly sneakers, dirty socks, and empty bottles of Ben-Gay in the lockers at the end of each long season.

With an ever growing involvement by the community with long distance running as a way of building fitness, the quality of the participants has been improving with each passing year. Heading the squad was John Peters.

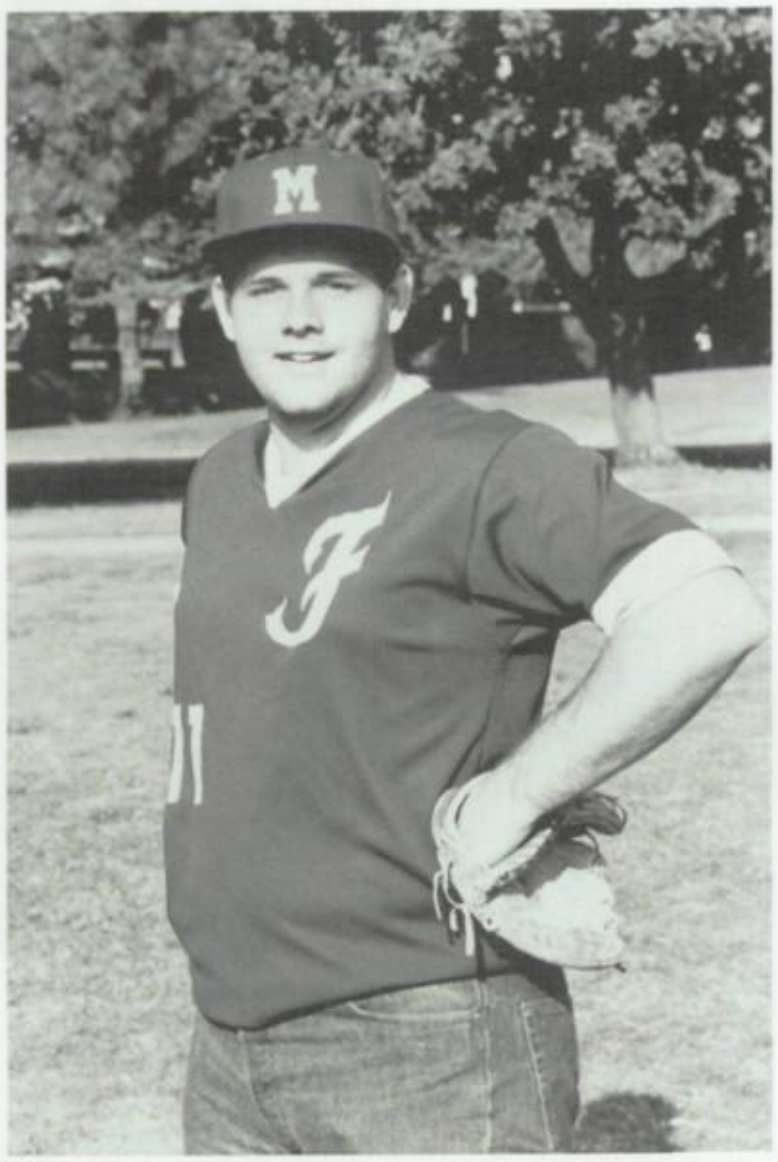
John was undefeated in league and took 1st place in league finals. A great honor that John received was being asked to run in Singapore for the U.S. as one of the top 40 runners in the States. May God truly bless all of you fine athletes as you've run your races for the glory of the Lord.

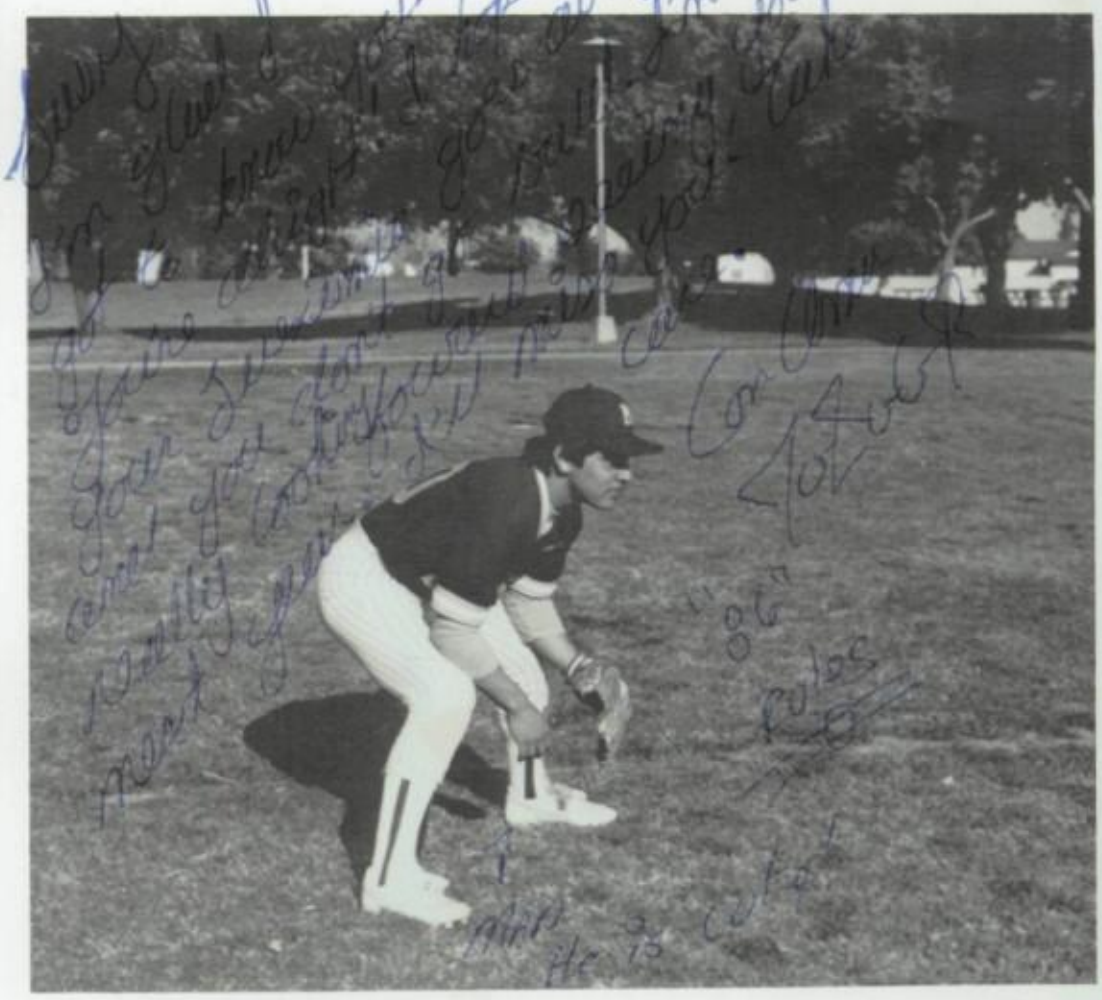
Where's The Finish LIne?

First mile: Running fast, Fuel great, cool and relaxed, comfortable. Second mile: Fatigue starts, sweat drips, body temp slowly increases, pace decreases. Third mile: fatigue takes over, cramps set in, breathing gets hard, Lord give me the strength to finish the race. "I will never run another race again."

Team Verse: "Yet those who wait for the Lord will gain a new strength; They will mount up with wings like a eagle, they will run and not get tired, they will walk and not become weary." Isa. 40:31

Varsity Baseball—





Rocketball Is Back

Hard hitters make a good baseball team, and that's just what this team is.

They aren't just baseball players, they're "rocketball" players. As coached by **Coach DeWoody,** this Varsity team looks like the best Melo has had in years. They won their first game after only two weeks of practice. With much determination and enthusiasm, the players should produce a spectacular season. Their toughest competition will be Capo Valley and Whittier Christian, but with such outstanding players, Melo is bound to excel beyond what they are able. Returning Varsity players are Captains **Doug Rich** (Pitcher) and **Jeff Peterson** (Catcher). **Keith Rogers** is (First Base), **Weston Boyle** (Left Field), **Lou Simon** (Center Field), and **Bill Watson** (Designated Hitter). Up from J.V. are **Bob Davis** (Outfield), **Donnie Holtz** (Short Stop), and **Mike Seeger** (Outfield). New to the team are **Chad Lambie** (Second Base) and **Juan Arce** (Third Base). **Coach DeWoody** has taken all his baseball teams to C.I.F. the past three years and it looks as if this year will be the fourth. The team would like to thank their coach for making them what they are- excellent ball players!

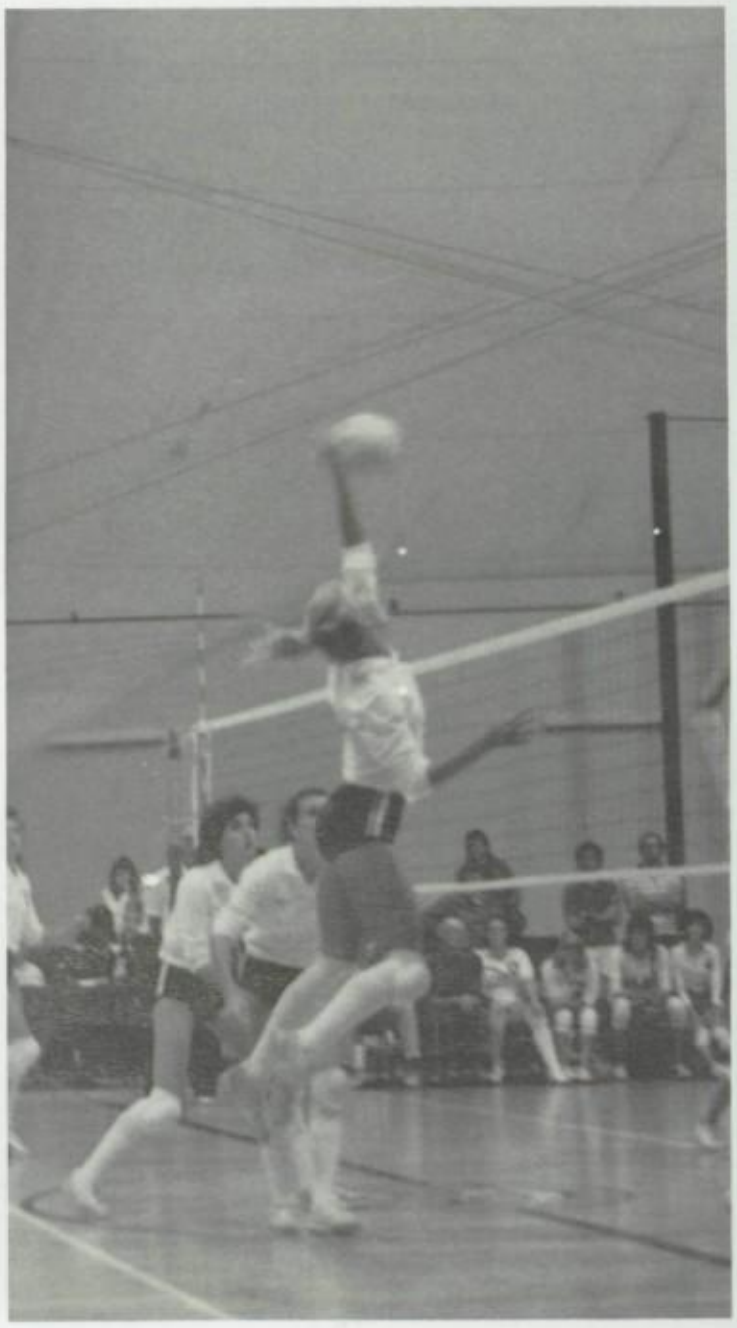
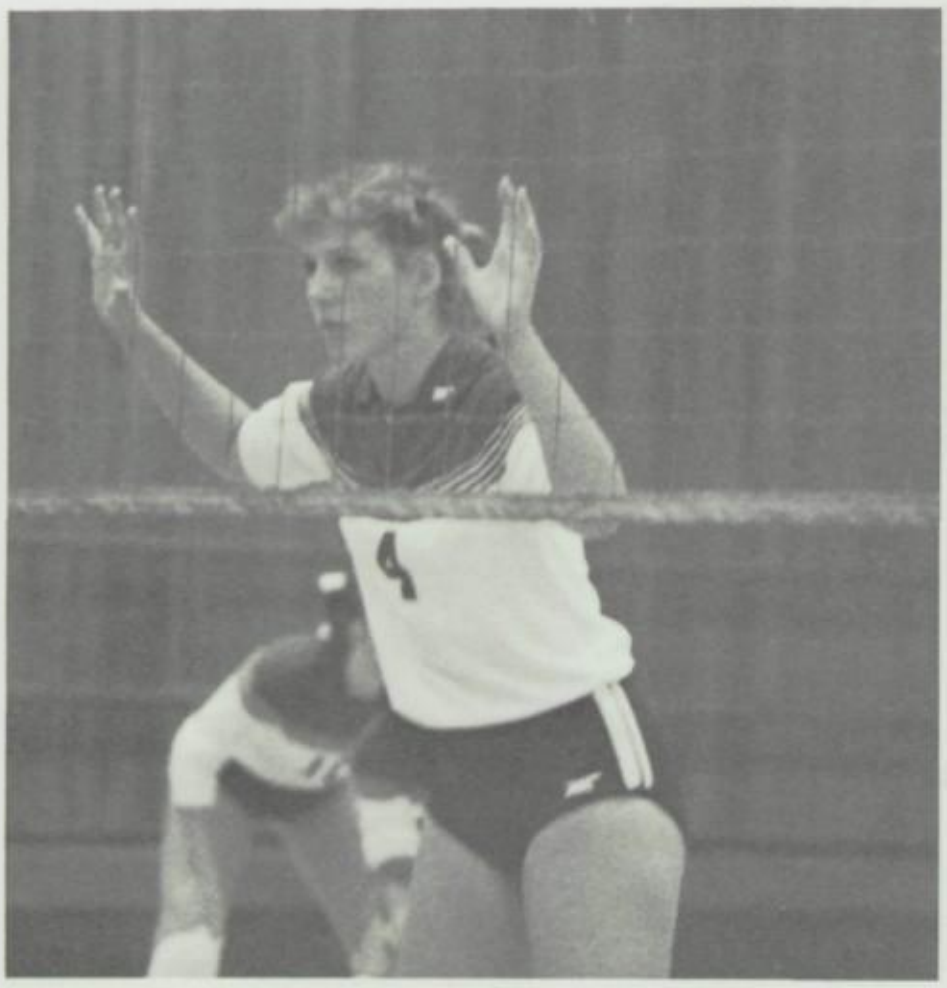
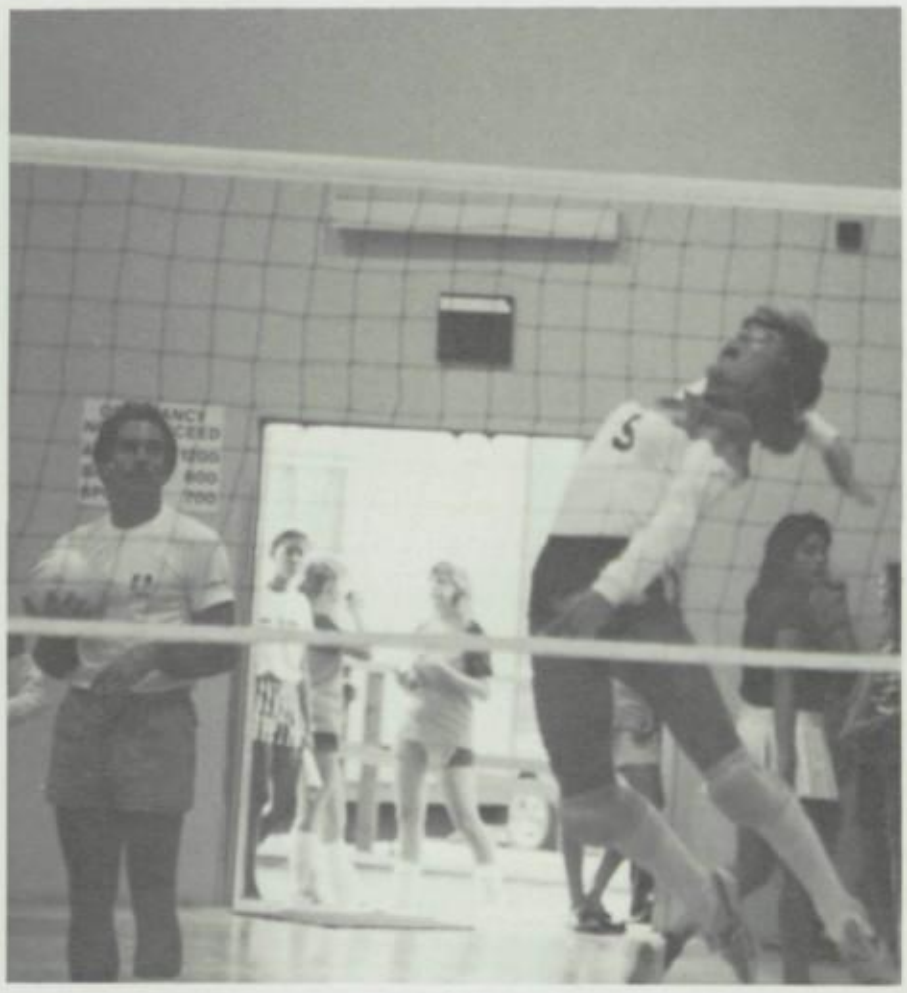
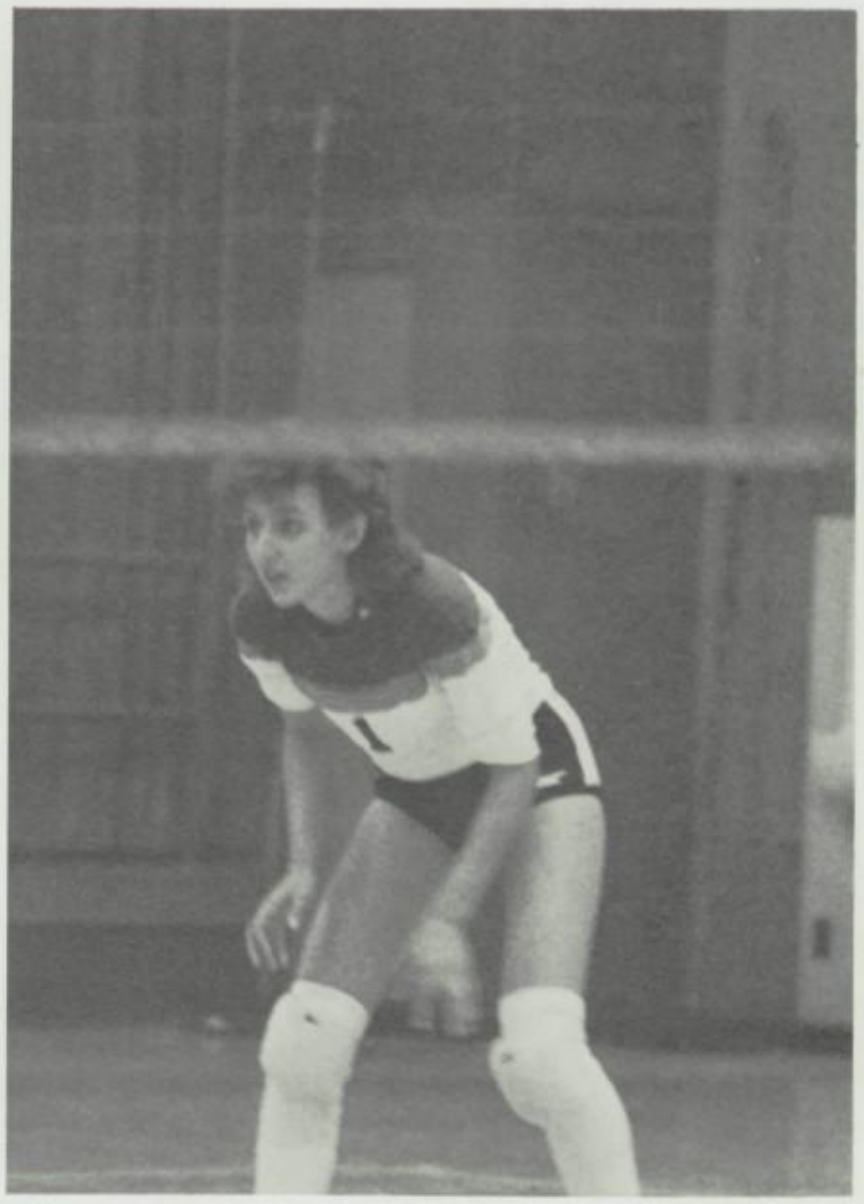
Spiking Their Way To

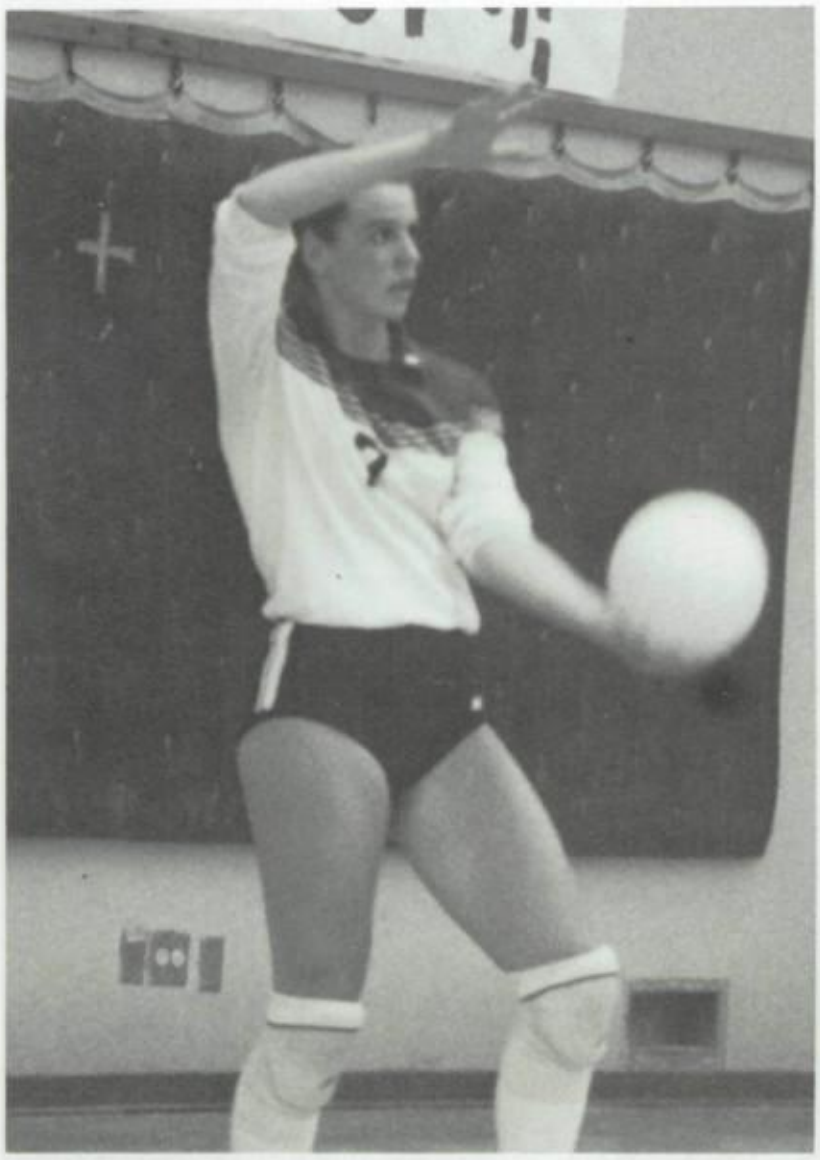


The Top Of The Net









Team unity in Christ, devotion, hard work, and many long hours of practice, these are the factors that propelled the Melodyland Flames Varsity Girls Volleyball team to gain second place in the California state championships. In eary July, 1984, the Flames began practice. They had several strong points, but for the majority they were just your average team with no real outstanding talent. That was how it was in the beginning, but these nine girls didn't care. They were going to make it great. When league games actually began, the Flames began the year with some struggles, but for the most part, they were literally walking over every team they played. When it came down to the last game against Ontario in the Melodome, the girls rose to the occasion, once again handing Ontario a bitter defeat. The girls finished the year with a 13-1 record in the Olympic League with a first place bid for C.I.F. playoffs. Winning a first place spot in the Olympic League was a goal that the girls had set out to attain in early July. But they didn't stop. They continued on their winning ways until they had gained a Division 1A C.I.F. Championship and a second place finishing in the State. **Ed,** the girls coach, was the encourager that pushed the girls and helped them to unite together in his own unique way. He made a championship team out of solid and determined young ladies. **Cinnamon Williams** was honored with many awards as the team captain. She was honored with the schools "Most Valuable Player" award. She was also elected onto the 1st all-star team in the Olympic league, along with **Sheryl Carbajal** and **Colleen Cassidy. Cinnamon** was also honored as the Olympic Leagues MVP and as the MVP of all Division 1A schools in the state of California. **Andrea Kuehn** received the school's "Most Improved Player" and **Karen McFarland** received the "Most Inspirational Player." With an overall record of 24-3, we are very proud of our girls. They performed with high excellence in Christ not only in play but in attitude.

For The Glory Of God

It was a miracle that there even was a 1984-85 Junior Varsity Volleyball team. For one thing, there weren't enough players until a few days before their first game. Another hinderance to this year's team was the lack of a coach. The Lord came through and provided **Coach Dunigan.** Assisting **Coach Dunigan** was **Coach Patty Bast,** an alumnus and ex-volleyball player of Melodyland. With their help, the J.V. players learned to be a team. The team played to the best of their ability. Although their record wasn't the best, you can't say that the team wasn't dedicated to giving all they had.

Spirited Aggressiveness

If there was a word to describe this year's Girl's Varsity Basketball team, it would be "aggressive". Despite the fact that the girls were comparatively shorter than their opponents, they played with such intensity and enthusiasm that they rose above their potential. They have been described as "short, but quick". With fast breaks and rebounds, they kept the other teams on their toes. With only one week of practice behind them, the girls started off their season with a victory against Liberty Christian. The girls continued to win several more games, and just as they had started their season victoriously, they ended that way as well. Returning Varsity players this year were **Andrea Kuehn** (Forward), **Anne Kuehn** (Forward), **Sheryl Carbajal** (Center), **Jana Frazier** (Guard), and **Christy Mantyla** (Guard). Up from J.V. were **Jamie Miller** (Guard) and **Debbie Dunnigan** (Guard). New on the squad was **Shannon Schwartz** (Forward). The girls would like to thank **Coach DeWoody** for all his support and dedication to the team. We love you, **Coach!**

J.V. Girls Basketball

This year's Girls J.V. Basketball team has been on fire for the Lord like never before. He showed them that even in the hard times they must show a undefeating spirit. All of our girls have played their best and because of this they have had many fine games. One example was at a pre-season game at Liberty when they won 28-5. Another good game was against Whittier where their score was 39-30. We would like to thank this great bunch of girls for all their hard work and for showing the testimony of Jesus Christ in their games.

Softball Swings Into Action

The 1985 Girls Varsity Softball team consists of many different athletic girls combined together. There are five returning Varsity players: **Leslie Fredricks, Christy Mantyla, Debbie Dunnigan, Tracy Tuttle,** and **Jo Lerma.** There are also new players on the team: **Kellie O'Connor, Desiree Compos, Kellie Sandy, Missy Johnston, Shannon Schwartz, Dana Meridith,** and **Kathy Martin. Leslie Fredricks** is the starting pitcher and **Kellie O'Connor** is her backup. **Christy Mantyla** is the catcher who rotates with **Debbie Dunnigan** who plays short stop. **Tracy Tuttle** is our third base man and sometimes a relief catcher. The new additions to the team have been a great inspiration and have helped tremendously. The girls had a lot of fun as a team and accomplished a lot.

This year Melodyland had a really great J.V. Softball Team. There was a special comradeship among the girls, that was noticeable to any spectator.

If a girl was having trouble in one area, the others were willing to help her. These girls were held together by a spirit that made them strong in the face of any adversary.

This year's J.V. Coach was Jerry McMurtry. He was the best coach that the J.V. has ever had. Under his leadship, this year's J.V. Softball Team had a fun and memorable season.

Fun In The Afternoon

Hurry up and take the picture. These smiles don't last forever.

Relaxation- what a concept!

Pull harder, **Chad,** I think we've got the Juniors on their knees.

Aren't we cute?

Just a good ol' country boy from Arkansas.

On the 21st day of November, the park behind Melodyland was filled with students for the annual Sadie Hawkins Picnic. Dressed in matching outfits, the students participated in a "fake matrimony" with "Reverend **DeWoody"** as well as a tug-of-war and an egg toss. With blankets and picnic baskets spread across the grass, people had a blast relaxing and enjoying each others company.

Christmas Joy

Our first Christmas Dinner Playhouse was a great success. Its originality and homestyle atmosphere made everyone glad they came to share in the Christmas Spirit. The couples had their pictures taken admist the beautiful decorations, which were done by the senior officers. We would like to give thanks to our wonderful Drama Department, who did a superb job in performing "The Gift of the Magi". We would also like to thank Mrs. Goodin and all the others who spent their Saturday afternoon to make this banquet one that all would remember and enjoy.

All reports confirm that this Valentine's Banquet was the best Melo has ever seen! Tibbies Harbor View Playhouse was the spectacular place that was chosen for this annual event. While eating their scrumptious dinner, the couples wee joyously entertained by lively singing and dancing. What fun they had as they were given the opportunity to join the chorus girls and guys in their songs. Each couple had their pictures taken and ended their fabulous evening by strolling along the harbor. Sophomore Officers, you did a terrific job in making this banquet one that will always be remembered!

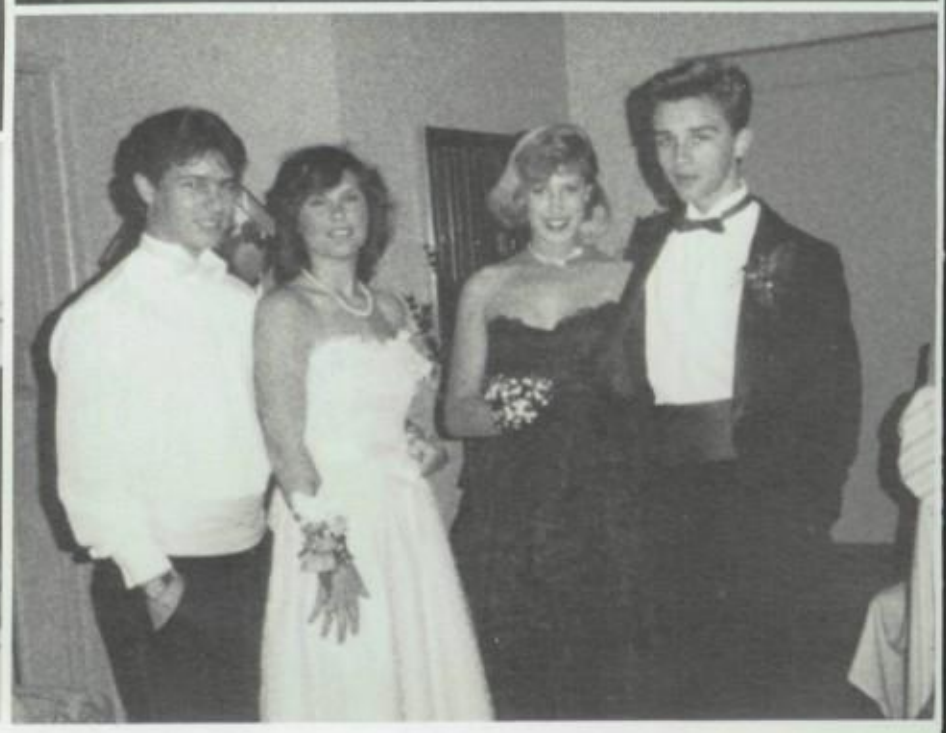
Dear **Javier**
The greatest blessing from the Lord in our lives is you. We love you and are very proud of you.

Congratulations **Danny!**
We are blessed to have you in our family.

May God bless you both in years to come.
Love, Mom and Dad



We Love You, Ronnie

Congratulations You Made It!

"And God is able to make all grace abound toward you, that ye, always having sufficiency in all things, may abound to every good work." 2 Corinthians 9:8

Dear **Kristen;** Congratulations on your graduation. We are truly blessed by your diligence. We'll be praying for the continued growth in your sweet spirit as the Lord blesses and uses you in his plan. Love, Mom and Dad

Suzy,
You passionate little babe. You are just so darn sexy, that it's hard to resist. We've had some cool times together, and we have to go down to the river bed & find those people from the Satanic church. You're a real fun & sweet girl. K.I.T. (639-8513) Love, Keith

Dear *Karen*,
When you left for your very first day of school 13 years ago, our hearts were filled with apprehension at letting you go into the big world- not knowing what the future would hold. And now we have another letting go to face as you graduate and go off to Pepperdine. We still don't know what your future will hold, but we have confidence in the mature and wise young woman you have become and the confidence in a good God to take care of you. You have brought us so much joy, Karen. You were voted the "Most Inspirational Player" of your volleyball team and it was a moving moment to see you receive the award- but we award you forever for being the "Most Inspirational Daughter."

Love,
Mom and Dad
